Preliminary Proxy Statement on Schedule 14A filed March 5, 2024

Risk Factors, page 4

1. We note that you are seeking to extend your termination date to October 8, 2024, which is a date that is 42 months from your initial public offering. Since Section IM-5101-2 of the Nasdaq listing rules requires that a special purpose acquisition company complete a business combination within 36 months of the effectiveness of the initial public offering registration statement, please disclose that your proposal to extend your termination date beyond 36 months does not comply with this rule and describe the risks of your non-compliance, including that your shares may be subject to suspension and delisting from the Nasdaq Capital Market.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

Please contact Kibum Park at 202-551-6836 or Isabel Rivera at 202-551-3518 with any other questions.
