Amendment No. 2 to Registration Statement on Form S-1

Summary

The Offering

Exercise Period, page 17

1. We note you disclose here and elsewhere in the prospectus that the warrants will become exercisable 30 days after the completion of your initial business combination. However, your Form of Unit filed as Exhibit 4.1 and Section 3.2 of your Form of Warrant Agreement state that each warrant will become exercisable on the later of (i) 30 days after your business combination and (ii) 12 months from the closing of this offering. Please

advise or revise.

Directed Unit Program, page 19

2. We note you disclose here and elsewhere that the underwriters have reserved for sale, at the initial public offering price, up to 4.9% of the units offered in this offering (assuming no exercise of the underwriters' over-allotment option) in a directed unit program to certain individuals associated with you and your directors and management team. Please file a revised form of underwriting agreement that reflects the terms of such program or tell us why you do not intend to do so.

Expression of Interest, page 25

3. Please revise to disclose the percentage of public shares needed to approve an acquisition if the sponsor member and anchor investors purchase the maximum amount of units in the offering and vote them in favor of a transaction. Additionally, please disclose the percentage needed assuming only the minimum number of stockholders required to be present at the stockholders' meeting held to approve the initial business combination are present at the meeting.

General

4. We note that you are registering the shares of Class A ordinary shares underlying the redeemable warrants included as part of the units. However, we note also your disclosure on page 56 that you are not registering the Class A ordinary shares issuable upon exercise of the redeemable warrants. Please advise or revise.
