## About

Hi there! I'm Rob. I've been an entrepreneur ever since I was a kid. I had an eBay account by the time I was 12 years old, and I sold Japanese professional wrestling VHS tapes and DVD's (yep!) to pay my way through university at the Richard Ivey School of Business at the University of Western Onta... see more

## Experience

### **CEO & Co-Founder**

Lexria · Full-time

Feb 2020 – Present · 1 yr 2 mos

Toronto, Canada Area

Lexria helps consumers with the process of including their student loans in bankruptcy. We're solving the \$1.6 Trillion student loan crisis by making justice accessible to the middle class.

For years, there's been a misconception that student loans can't be included in bankruptcy. Turns out this narrative is completely false.

Lexria connects qualified consumers with an affiliated lawyer who has specific experience discharging student debt in bankruptcy. ...see more

**Adjunct Professor**

Wentworth Institute of Technology  
Jun 2014 – May 2017 · 3 yrs

I moonlight as an adjunct professor at Wentworth, typically getting in 1-2 classes every year. I love it. It's tutoring, theater, and mentorship all in one. I've met some wonderful students and am hopeful I haven't screwed them up too badly.

**Data Scientist**

Mabee  
Feb 2013 – May 2014 · 1 yr 4 mos  
Boston, MA

Mabee is gathering and organizing the world's offline data. Sound familiar? It's built by former Googlers, who realized that not all of the world's data and information is available online. We

gather this data through our "smartphone army" and distill it into actionable insights that
