Preliminary Proxy Statement on Schedule 14A

General

1. We note that you are seeking to extend your termination date to December 31, 2024, a date which is approximately 42 months from your initial public offering. We also note that you are listed on The Nasdaq Stock Market LLC and that Section IM-5101-2 of the Nasdaq Listing Rules requires that a special purpose acquisition company complete one or more business combinations within 36 months of the effectiveness of its IPO registration statement. Please revise to explain that the proposal to extend your termination deadline to December 31, 2024 does not comply with this rule, or advise, and to disclose the risks of your non-compliance with this rule, including that your securities may be subject to suspension and delisting from The Nasdaq Stock Market LLC, and the consequences of any such suspension or delisting. Please also reconcile this with your statements elsewhere in the proxy that you "intend[] to rely" on being listed on Nasdaq to not be deemed a penny stock issuer.
