Amendment No. 5 to Form F-1

Cover Page

1. Refer to your response to comment 1. Please summarize here your cash management policies as they relate to how cash is transferred through your organization and provide a cross reference to a more detailed description of these policies in Prospectus Summary. Please make corresponding revisions elsewhere in your prospectus as necessary.

Prospectus Summary, page 1

2. Please summarize the disclosure of enforcement of civil liabilities in Prospectus Summary and include a related summary risk factor. Please also revise the first risk factor on page 21 to separately describe the specific risks of enforceability of foreign judgments in Hong Kong and to discuss Cayman Islands and Hong Kong counsels' respective determinations. Additionally, relocate the Enforcement of Civil Liabilities section to an earlier location in the prospectus.
3. Refer to your response to comment 2. Please disclose how you determined that permissions related to the CAC and the CSRC's Overseas Listing Regulations were not required. If you relied on the advice of counsel in making this determination, identify counsel and file its consent. If you did not consult counsel in making these determinations, explain why you did not obtain the advice of counsel; if true, disclose that your determination is based on a risk-based analysis; and include related risk factor disclosure. Additionally, please update your disclosure related to Recent Regulatory Development in the PRC beginning on page 9, and elsewhere, as necessary.

Risk Factor Summary, page 7

4. For each summary risk factor you disclose, please include a cross-reference to the more detailed discussion of the risk in your Risk Factors section.
5. Please add a summary risk factor discussing any restrictions or limitations on your ability to transfer funds out of Hong Kong. Your disclosure should address the risk that the PRC government may intervene or impose restrictions on your ability to move money out of the PRC and/or Hong Kong to distribute earnings and pay dividends to your subsidiaries, the parent or to reinvest in your business outside of the PRC and Hong Kong.

You may contact Lory Empie at 202-551-3714 or Hugh West at 202-551-3872 if you have questions regarding comments on the financial statements and related matters. Please contact David Gessert at 202-551-2326 or J. Nolan McWilliams at 202-551-3217 with any other questions.
