

Hi Edward,

We appreciate your previous BioPower project support and wanted to make sure you were one of the first to know we are gauging interest in a new Community Round on the investment platform [Wefunder](#).

With our recent announcement of a [public-private partnership](#) with Menlo Park, CA—targeting 10,000+ buildings electrified by 2030—it is as important as ever that we have support from investors like you to finance this urgent work. Here's a [recent testimonial](#) from a BioPower customer for whom affordable financing was critical to their project.

Together we can help communities continue to take critical climate action while bridging the gap created by the Supreme Court decision curtailing the power of the EPA. You can read more about the terms of this new offering and [reserve a spot to be an investor here](#).

Sincerely,  
Jan
