Amendment No. 2 to Draft Registration Statement on Form F-1 submitted on August 23, 2021

Cover Page

1. We note your disclosure on the cover page of the prospectus that the offering is a resale by the selling shareholders of American Depositary Shares and that you intend to list the ADSs on Nasdaq. We also note your disclosure that the selling shareholders may sell the ordinary shares represented by the ADSs in market transactions through any market in which the ADSs are then traded. Please advise us, and disclose in the prospectus as applicable, the process in which a holder of ADSs would obtain the ordinary shares and sell the ordinary shares in the market in which the ADSs are traded. Please also reconcile

this statement with your disclosure on page 106 as to how ADR holders can cancel an ADS and obtain deposited securities.

2. Your disclosure provides that, "The price of [y]our ADSs will be determined in part by reference to the trading price of [y]our ordinary shares on the Main Market of the London Stock Exchange" and "for discussion of the factors considered in determining the initial public offering price of our ADSs, see 'Underwriting.'" Please revise to state clearly how the initial trading price of the ADSs on Nasdaq will be determined, e.g., if relying upon the trading price of the shares on the London Stock Exchange, and discuss separately throughout the prospectus how the price may be determined after the initial trading price. In addition, please revise the reference to the Underwriting section since it appears that an underwriter will not be involved in the offering and this section is no longer included in the prospectus.

Compensation, page 77

3. Please present footnotes (1) and (2) in the table to clarify which column or item in the table each footnote relates.

Selling Shareholders, page 81

4. Please revise the disclosure and the table to disclose clearly that the selling shareholders are offering ADSs for resale and that the ordinary shares are deposited securities represented by the ADSs.

Description of the American Depositary Shares, page 104

5. The disclosure provides that "[ ], as depositary will issue the ADSs which you will be entitled to receive in this offering." Please revise to clarify whether the depositary has issued the ADSs since this is a resale offering and clearly disclose those transactions.

Notes to Financial Statements

Note 4. Changes in Accounting Policies and Prior Year Adjustments

Accounting for warrants issued as part of a cash fundraise- Prior year adjustment, page F-15

6. You disclose that the impact of the change in accounting treatment related to the warrants issued as part of a cash fundraise resulted in a reduction in share capital and a corresponding increase in warrant reserve for the period ended March 31, 2020. It appears that the impact actually resulted in an increase in share capital and reduction in warrant reserve. As such, please revise your disclosure to correctly describe the impact to the financial statement line items.

General

7. We note your revised disclosure that the prospectus relates to a resale by the selling shareholders of American Depositary Shares. Please advise us when the selling

shareholders have acquired the ADSs, or will acquire the ADSs, being registered for resale and the exemption from registration relied upon for such offers and sales.

8. If the securities are to be offered on a delayed or continuous basis pursuant to Rule 415 of Regulation C, please check the applicable box on the cover page of the registration statement.
9. We note your disclosures in regards to underwriters as follows:
  - “In the case of the ADSs to be issued under this prospectus, we will arrange with the underwriters named herein to deposit such ordinary shares,” page 106
  - “if the underwriters exercise in full their over-allotment option to purchase an additional [ ] ADSs, [ ] ordinary shares (including [ ] ...,” page 115
  - “the underwriters are not required to comply with the disclosure requirements of NI 33-105 regarding underwriter conflicts of interest in connection with this offering,” page 123

Please revise your disclosure to disclose clearly the involvement of underwriters as applicable.
