Amendment No. 3 to Registration Statement on Form S-1 Filed March 4, 2022

Principal Shareholders, page 154

1. We note that Patria or its affiliates have expressed an interest to directly purchase an aggregate of 2 million units (or 2.3 million units if the underwriters' over-allotment option is exercised in full), which would equal 10% of the outstanding units upon the completion of the offering. However, we also note your disclosure that Patria or its affiliates may decide to purchase more, less, or no units in the offering. Please clarify whether there is a cap on the maximum amount of units that Patria or its affiliates can purchase in this offering, and if so, please disclose the cap.
