Benjamin Hanley
Sr. Innovation Manager at New York eHealth Collaborative
December 20, 2013, Benjamin reported directly to Mike

Mike is an outstanding product development professional, extremely insightful and results-driven. He is able to see where education and technology trends are heading, build a strong case for change using relevant data, and implement difficult organizational changes to reposition the company in o... Janet Pinto
Chief Academic Officer and Chief Marketing Officer, Curriki
February 11, 2013, Janet worked with Mike in different groups

Mike is an amazingly generous colleague and smart strategist. I highly recommend Mike as he can take a complex challenge and develop an "on target" product strategy and make it work. I would love to work ith Mike again!
