Dear Mr. Stidolph:

We have reviewed your registration statement and have the following comments. In some of our comments, we may ask you to provide us with information so we may better understand your disclosure.

Please respond to this letter by amending your registration statement and providing the requested information. If you do not believe our comments apply to your facts and circumstances or do not believe an amendment is appropriate, please tell us why in your response.

After reviewing any amendment to your registration statement and the information you provide in response to these comments, we may have additional comments. Unless we note otherwise, our reference to prior comments are to comments in our May 21, 2021 letter.

Form S-1 filed August 6, 2021

Summary, page 1

1. We refer to prior comment 2, and we note the related disclosure added to your summary and management sections regarding B. Riley Principal 150 Merger Corp. and B. Riley Principal 250 Merger Corp. Further to our prior comment, in order to clearly illustrate the past and present overlapping SPAC activity of your management, please discuss the current status, proceeds raised or to be raised, acquisition focus and duration of each of BRPM 150, BRPM 250 and any other SPACs with which your management is involved.

Summary Financial Data, page 36

2. Please provide the calculations to support the (\$129,012) of working capital/(deficiency) or revise your disclosures throughout the filing as necessary. In this regard, it appears that your working capital/(deficit) should be (\$9,548). Similarly, provide support for your pro forma, as adjusted, total assets and total liabilities or revise as necessary.

Use of Proceeds, page 78

3. You state that your CEO and CFO will receive a one-time payment of \$150,000 and \$300,000, respectively, upon an initial business combination and that your CFO will receive \$15,600 per month for services prior to the consummation of an initial business combination. Please tell us how these amounts are reflected in the breakdown of \$1,865,000 net proceeds not held in trust or explain where they are addressed in your use of proceeds disclosures. Also, revise to include a discussion of these payments in your liquidity and capital resources section or tell us why you believe such disclosure is not necessary.

Capitalization, page 83

4. Please provide the calculations to support the \$179,905,542 of pro forma, as adjusted, total capitalization or revise as necessary. In this regard, your current disclosures appear to exclude the derivative warrant liability from total capitalization.

Liquidity and Capital Resources, page 85

5. You state here that the net proceeds of the offering will be \$201,065,000 (or \$231,065,000 if over-allotment option is exercised). Please reconcile this information to the amounts disclosed in your Use of Proceeds discussion or revise as necessary.

Audited Financial Statements of AltEnergy Acquisition Corp., page F-1

6. We note from your response to prior comment 3 that you revised the financial statements to reflect expenses related to Mr. Darnell's services as the company's CFO. Please tell us your consideration to label the financial statements as restated and include disclosures regarding the correction of an error as required by ASC 250-10-50-7. Also, we note that the report of your independent registered public accounting firm has been dual dated for revisions in Note 5 as it relates to agreements entered into with your CEO and CFO. Please tell us how your auditor considered similar revisions in Note 6.

Exhibits

7. Disclosure in your filing, including on pages 71 and 153, states that your amended and restated certificate of incorporation will contain an exclusive forum provision, but we are unable to locate this provision in your amended and restated certificate of incorporation filed as Exhibit 3.1. Please remove the related disclosure from the prospectus, or advise.
