Form 10

General

1. We note your response to prior comment 2 and your Rule 145(a) analysis. However, it appears that the reorganization and the resulting change in the nature of the shareholders' investment may still constitute a "sale" under Section 2(a)(3) of the Securities Act. For guidance, please see Section 203.02 of our Compliance and Disclosure Interpretations (Securities Act Sections), which is available on our website. Please provide your analysis with specific facts regarding the reorganization and the number and type of Sauer Energy, Inc.'s shareholders. Alternatively, tell us the section of the Securities Act or the rule of the Commission under which exemption from registration was claimed and state the facts relied upon to make the exemption available.
