

APPENDIX A: INVESTMENT RISKS

YOU MIGHT LOSE YOUR MONEY

When you buy a certificate of deposit from a bank, the Federal government (through the FDIC) guarantees you will get your money back. Buying a Note is not like that at all. The ability of Good Beer LLC. dba "King G" to make the payments you expect, and ultimately to give you your money back, depends on a number of factors, including many beyond our control.

FINANCIAL FORECASTS RISKS

The financial forecasts provided by us herein are reasonable forecasts by us based upon assumption of stable economic conditions and other various assumptions regarding operations. The validity and accuracy of these assumptions will depend in large part on future events over which Good Beer LLC. dba "King G" and the key persons will have no control. Changes in assumptions or their underlying facts could significantly affect the forecasts. To the extent that the assumed events do not occur, the outcome may vary significantly from the projected outcomes. Consequently, there can be no assurance that the actual operating results will correspond to the forecasts provided herein. Additionally, Good Beer LLC. dba "King G" is a newly established entity and therefore has no operating history from which forecasts could be projected with.

Factors like global or national economic recessions, changes in interest rates, changes in credit markets, changes in capital market conditions, declining employment, changes in real estate values, changes in tax policy, changes in political conditions, and wars and other crises, among other factors are unpredictable and could negatively affect Good Beer LLC. dba "King G"'s financial performance or ability to continue to operate. In the event Good Beer LLC. dba "King G" ceases operations due to the foregoing factors, it can not guarantee that it will be able to resume operations or generate revenue in the future.

CHANGES IN LAWS

Changes in laws or regulations, including but not limited to zoning laws, environmental laws, tax laws, consumer protection laws, securities laws, antitrust laws, and health care laws, could negatively affect Good Beer LLC. dba "King G"'s financial performance or ability to continue to operate. Specifically, any additional regulation on the industry could significantly negatively affect the business.

THE COMPANY IS NOT SUBJECT TO THE CORPORATE GOVERNANCE REQUIREMENTS OF THE NATIONAL SECURITIES EXCHANGES

Any company whose securities are listed on a national stock exchange (for example, the New York Stock Exchange) is subject to a number of rules about corporate governance that are intended to protect investors. For example, the major U.S. stock exchanges require listed companies to have an audit committee made up entirely of independent members of the board of directors (i.e., directors with no material outside relationships with Good Beer LLC. dba "King G" or management), which is responsible for monitoring Good Beer LLC. dba "King G"'s compliance with the law. Good Beer LLC. dba "King G" will not be required to implement these and other investor protections.

COVID-19 IMPACT

The ongoing COVID-19 pandemic may impact the Company's ability to generate revenue and/or

continue operations. If operations are ceased due to COVID-19 restrictions, the Company can not guarantee that it will resume operations in the future.

LACK OF GUARANTY

The Notes are not personally guaranteed by any of the founders or any other person.

SUBORDINATION

The Notes shall be subordinated to all indebtedness of Good Beer LLC. dba "King G" to banks, commercial finance lenders, leasing and equipment financing institutions, and/or other institutions regularly engaged in the business of lending money.

THE NOTES ARE UNSECURED AND UNINSURED

The Notes are not secured by any collateral, nor are they guaranteed or insured by the FDIC or any other entity.

YOU DO HAVE A DOWNSIDE

Conversely, if Good Beer LLC. dba "King G" fails to generate enough revenue, you could lose some or all of your money.

LACK OF ONGOING INFORMATION

Good Beer LLC. dba "King G" will be required to provide some information to investors for at least 12 months following the offering. However, this information is far more limited than the information that would be required of a publicly-reporting company; and Good Beer LLC. dba "King G" is allowed to stop providing annual information in certain circumstances.

UNINSURED LOSSES

Although Good Beer LLC. dba "King G" will carry some insurance, Good Beer LLC. dba "King G" may not carry enough insurance to protect against all risks to the business. Additionally, there are some kinds of risks that are very difficult or impossible to insure against, at least at a reasonable cost. Therefore, Good Beer LLC. dba "King G" could incur an uninsured loss that could damage its business.

NO REGISTRATION UNDER SECURITIES LAWS

The Notes will not be registered with the SEC or the securities regulator of any State. Hence, neither Good Beer LLC. dba "King G" nor the Notes will be subject to the same degree of regulation and scrutiny as if they were registered.

YOU HAVE A LIMITED UPSIDE

Notes include a maximum amount you can receive. You cannot receive more than that even if Good Beer LLC. dba "King G" is significantly more successful than your initial expectations.

PAYMENTS AND RETURN ARE UNPREDICTABLE

Because your payments are based on the revenue of Good Beer LLC. dba "King G", and the revenue of Good Beer LLC. dba "King G" can go up or down (or even disappear altogether) unpredictably, it is impossible to predict how much you will receive and when. And because the payments are unpredictable, so is your ultimate return.

LIMITATION OF INDIVIDUAL RIGHTS IN EVENT OF DEFAULT

In the event of a default under the Notes, you will not be able to enforce your rights individually (for example, by bringing a lawsuit). Instead, a representative will be appointed according to the procedures set forth in the Note Indenture. It's possible that you will not like the representative, or that the representative will do things you believe are wrong or misguided. If an event of default has occurred and a representative has been appointed, all of the representative's reasonable expenses must be paid before any further payments are made with respect to the Notes.

THE COMPANY MIGHT NEED MORE CAPITAL

Good Beer LLC. dba "King G" might need to raise more capital in the future to fund/expand operations, buy property and equipment, hire new team members, market its services, pay overhead and general administrative expenses, or a variety of other reasons. There is no assurance that additional capital will be available when needed, or that it will be available on terms that are not adverse to your interests as an investor. If Good Beer LLC. dba "King G" is unable to obtain additional funding when needed, it could be forced to delay its business plan or even cease operations altogether.

INABILITY TO SELL YOUR INVESTMENT

The law prohibits you from selling your securities (except in certain very limited circumstances) for 12 months after you acquire them. Even after that one-year period, a host of Federal and State securities laws may limit or restrict your ability to sell your securities. Even if you are permitted to sell, you will likely have difficulty finding a buyer because there will be no established market. Given these factors, you should be prepared to hold your investment for its full term.

RELIANCE ON MANAGEMENT

As a securities holder, you will not be able to participate in Good Beer LLC. dba "King G"'s management or vote on and/or influence any managerial decisions regarding Good Beer LLC. dba "King G". Furthermore, if the founders or other key personnel of Good Beer LLC. dba "King G" were to leave Good Beer LLC. dba "King G" or become unable to work, Good Beer LLC. dba "King G" (and your investment) could suffer substantially.

LACK OF ACCOUNTING CONTROLS

Larger companies typically have in place strict accounting controls. Smaller companies typically lack these controls, exposing themselves to additional risk.

INCOMPLETE OFFERING INFORMATION

Title III does not require us to provide you with all the information that would be required in some other kinds of securities offerings, such as a public offering of shares (for example, publicly-traded firms must generally provide investors with quarterly and annual financial statements that have been audited by an independent accounting firm). Although Title III does require extensive information, it is possible that you would make a different decision if you had more information.

FUTURE INVESTORS MIGHT HAVE SUPERIOR RIGHTS

If Good Beer LLC. dba "King G" needs more capital in the future and takes on additional debt or

other sources of financing, the new investors might have rights superior to yours. For example, they might have the right to be paid before you are, to receive larger distributions, to have a greater voice in management, or otherwise.

CONFLICT OF INTEREST WITH COMPANIES AND THEIR MANAGEMENT

In many ways, your interests and the interests of Good Beer LLC. dba "King G"'s management will coincide: you both want Good Beer LLC. dba "King G" to be as successful as possible. However, your interests might be in conflict in other important areas, including these: You might want Good Beer LLC. dba "King G" to act conservative to make sure they are best equipped to repay the Note obligations, while Good Beer LLC. dba "King G" might prefer to spend aggressively to invest in the business. You would like to keep the compensation of managers low, while managers want to make as much as they can.

COMPETITION

The market in which we operate is highly competitive and could become increasingly competitive with new entrants in the market. Good Beer LLC. dba "King G" competes with many other businesses, both large and small, on the basis of quality, price, location, and customer experience. Changes in customer preference away from Good Beer LLC. dba "King G"'s core business or the inability to compete successfully against the with other competitors could negatively affect Good Beer LLC. dba "King G"'s financial performance.
