Amendment No. 4 to Registration Statement on Form S-4 filed June 7, 2024

Information about DevvStream

Devvio Agreement, page 233

1. We note your response to prior comment 4 and reissue our comment in its entirety. Please tell us:
 - the nature of the relationship between the DevvStream, the Core Company Securityholders and affiliates;
 - any transactions between them, however, nominal; and
 - any control relationship and the effect of such control relationship between the entities.

Refer to ASC 850-10-50.

2. We note your response to prior comment 5. Our understanding is that a platform token is used to facilitate transactions and interactions within a specific blockchain-based platform and that such tokens are created and distributed by the developers of the ecosystem and can be used to access various decentralized services, features, and resources within the platform's ecosystem. Please reconcile the statement, "no shard requires the use of DevvE" with the April 9, 2024 statement by DevvE that indicates that DevvE is the only platform token for the DevvX Layer 1 blockchain.

Please contact William Demarest at 202-551-3432 or Isaac Esquivel at 202-551-3395 if you have questions regarding comments on the financial statements and related matters. Please contact Ronald (Ron) E. Alper at 202-551-3329 or Brigitte Lippmann at 202-551-3713 with any other questions.

Sincerely,
