- (1) **Minimum Gain Chargeback** – Except as otherwise provided in Treas. Reg. Section 1.704-2(f), if there is a net decrease in partnership minimum gain (within the meaning of Treas. Reg. Sections 1.704-2(b)(2) and 1.704-2(d)) during any fiscal year, each Member shall be allocated items of the Limited Liability Company's income and gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to such Member's share of the net decrease in partnership minimum gain, determined in accordance with Treas. Reg. Section 1.704-2(g). Allocations made pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treas. Reg. Sections 1.704-2(f)(6) and 1.704-2(j)(2). This provision is intended to comply with the minimum gain chargeback requirement in Treas. Reg. Section 1.704-2(f) and shall be interpreted consistently therewith.
- (2) **Partner Minimum Gain Chargeback** – Except as otherwise provided in Treas. Reg. Section 1.704-2(i)(4), if there is a net decrease in partner nonrecourse debt minimum gain attributable to a partner nonrecourse debt during any fiscal year, each Member who has a share of the partner nonrecourse debt minimum gain attributable to such partner nonrecourse debt, determined in accordance with Treas. Reg. Section 1.704-2(i)(5), shall be allocated items of the Limited Liability Company's income and gain for such fiscal year (and, if necessary, subsequent fiscal years) in an amount equal to such Member's share of the net decrease in partner nonrecourse debt minimum gain attributable to such partner nonrecourse debt, determined in accordance with Treas. Reg. Section 1.704-2(i)(4). Allocations made pursuant to the preceding sentence shall be made in proportion to the respective amounts required to be allocated to each Member pursuant thereto. The items to be so allocated shall be determined in accordance with Treas. Reg. Sections 1.704-2(i)(4) and 1.704-2(j)(2). As used herein, "partner nonrecourse debt" has the meaning set forth in Treas. Reg. Section 1.704-2(b)(4). As used herein, "partner nonrecourse debt minimum gain" shall mean an amount, with respect to each partner nonrecourse debt, equal to the partnership minimum gain (within the meaning of Treas. Reg. Sections 1.704-2(b)(2) and 1.804-2(d)) that would result if such partner nonrecourse debt were treated as a nonrecourse liability

(within the meaning of Treas. Reg. Sections 1.704-2(b)(3)) determined in accordance with Treas. Reg. Section 1.704-2(I)(3). This provision is intended to comply with the minimum gain chargeback requirement in Treas. Reg. Section 1.704-2(i)(4) and shall be interpreted consistently therewith.

- (3) Qualified Income Offset – In the event any Member unexpectedly receives any adjustments, allocations or distributions described in Treas. Reg. Sections 1.704-1(b)(2)(ii)(d)(4), (5) or (6), items of the Limited Liability Company's income and gain shall be allocated to such Member in an amount and manner sufficient to eliminate, to the extent required by the Regulations, any adjusted capital account deficit in such Member's capital account, as quickly as possible, provided that an allocation pursuant to this provision shall be made only if and to the extent that such Member would have an adjusted capital account deficit in such Member's capital account after all other allocations provided for in this Article 8 have been tentatively made as if this provision were not in this Agreement. As used herein, "adjusted capital account deficit" shall mean the deficit balance, if any, in a Member's capital account at the end of the relevant fiscal year after the following adjustments: (i) credit to such capital account the minimum gain chargeback which the Member is obligated to restore pursuant to the penultimate sentences of Treas. Reg. Sections 1.704-2(g)(1) and 1.704-2(i)(5); and (ii) debit to such capital account the items described in Treas. Reg. Sections 1.704-1(b)(2)(ii)(d)(4), (5) and (6). This provision is intended to constitute a qualified income offset within the meaning of Treas. Reg. Section 1.704-1(b)(2)(ii)(d) and shall be interpreted consistently therewith.
- (4) Gross Income Allocation – In the event any Member has a deficit capital account at the end of any fiscal year which is in excess of the sum of the amount such Member is deemed to be obligated to restore pursuant to the penultimate sentences of Treas. Reg. Sections 1.704-2(g)(1) and 1.704-2(i)(5), each such Member shall be allocated items of the Limited Liability Company's income and gain in the amount of such excess as quickly as possible, provided that an allocation pursuant to this provision shall be made only if and to the extent that such Member would have a deficit in such Member's capital account in excess of such sum after all other allocations provided for in this Article 8 have been tentatively made as if this provision and the provisions of clause (3) above were not in this Agreement.
- (5) Nonrecourse Deductions – Nonrecourse deductions (within the meaning of Treas. Reg. Sections 1.704-2(b)(1)) for any fiscal year shall be allocated among the Members in proportion to the Members' Percentage Interests.
- (6) Partner Nonrecourse Deductions – Any partner nonrecourse deductions (within the meaning of Treas. Reg. Sections 1.704-2(b)(1) and 1.704-2(b)(2)) for any fiscal year shall be allocated to the Member who bears the economic risk of loss with respect to the partner nonrecourse debt (within the meaning of Treas. Reg. Section 1.704-2(b)(4)) to which such partner nonrecourse deductions are attributable in accordance with Treas. Reg. Section 1.704-2(i)(1).

- (7) Other Mandatory Allocations – In the event that Section 704(c) of the Internal Revenue Code or the Regulations thereunder require allocations in a manner different than that set forth above in this Article 8, then the provisions of Section 704(c) and the Regulations thereunder shall control such allocations among the Members.

It is the intention of the Members that the allocations hereunder shall be deemed to have “substantial economic effect” within the meaning of Section 704 of the Internal Revenue Code and Treas. Reg. Section 1.704-1. Should the provisions of this Agreement be inconsistent with or in conflict with Section 704 of the Code or the Regulations thereunder, then Section 704 of the Code and the Regulations shall be deemed to override the contrary provisions hereof. If Section 704 or the Regulations at any time require that limited liability company operating agreements contain provisions which are not expressly set forth herein, such provisions shall be incorporated into this Agreement by reference and shall be deemed a part of this Agreement to the same extent as though they had been expressly set forth herein, and the Managing Member shall be authorized by an instrument in writing to amend the terms of this Agreement to add such provisions, and any such amendment shall be retroactive to whatever extent required to create allocations with a substantial economic effect.

The annual meeting of the Members shall be held on the second Tuesday in the month of June at 10:00 AM at the principal office of the Limited Liability Company, for the purpose of transacting such business as may come before the meeting. If the day fixed for the annual meeting shall be a legal holiday, such meeting shall be held on the next succeeding business day.

The Members may by resolution prescribe the time and place for the holding of regular meetings and may provide that the adoption of such resolution shall constitute notice of such regular meetings.

Special meetings of the Members, for any purpose or purposes, may be called by the Managing Members or by any two Members (or such other number of Members as the Members from time to time may specify.)

Written or telephonic notice stating the place, day and hour of the meeting and, in the case of a special meeting, the purpose for which the meeting is called, shall be delivered not less than three days before the date of the meeting, either personally or by mail, by or at the direction of the Managing Members, to each Member of records entitled to vote at such meeting. At any meeting of the Members, the presence of Members holding a majority of the Members' Percentage Interests, as determined from the books of the Limited Liability Company, represented in person or by proxy, shall constitute a quorum for the conduct of the general business of the Limited Liability Company. However, if any particular action by the Limited Liability Company shall require the vote or consent of some other number or percentage of Members pursuant to this Agreement, a quorum for the purpose of taking such action shall require such other number or percentage of Members. If a quorum is not present, the meeting may be adjourned from time to time without further notice, and if a quorum is present at the adjourned meeting any business may be transacted which might have been transacted at the meeting as originally notified. The Members present at a duly organized meeting may continue to transact business until adjournment, notwithstanding the withdrawal of enough Members to leave less than a quorum.

At all meetings of the Members, a Member may vote by proxy executed in writing by the member or by a duly authorized attorney-in-fact of the Member. Such proxy shall be filed with the Managing Members of the Limited Liability Company before or at the time of the meeting. No proxy shall be valid after three months from the date of execution, unless otherwise provided in the proxy.

If at any time a Member is a corporation, partnership or limited liability company, the interest of such Member may be voted by such officer, partner, agent or proxy of such Member as the bylaws, board of directors or other organizational documents of such entity may duly authorize.

The Managing Member or his designee shall preside at meetings of the Members. A secretary of the meetings designated by the Managing Member shall maintain a record

of the meetings. The Members may adopt their own rules of procedure which shall not be inconsistent with this Operating Agreement.

A Member of the Limited Liability Company who is present at a meeting of the Members at which action on any matter is taken shall be presumed to have assented to the action taken, unless the dissent of such Member shall be entered in the minutes of the meeting or unless such Member shall file a written dissent to such action with the person acting as the secretary of the meeting before the adjournment thereof or shall forward such dissent by certified mail to the Limited Liability Company within fifteen days after the adjournment of the meeting. Such right to dissent shall not apply to a Member who voted in favor of such action.

Unless otherwise provided by law, any action required to be taken at a meeting of the Members, or any other action which may be taken at a meeting of the Members, may be taken without a meeting if a consent in writing, setting forth the action so taken, shall be signed by all of the Members entitled to vote with respect to the subject thereof.

Members of the Limited Liability Company may participate in any meeting of the Members by means of conference telephone or similar communication if all persons participating in such meeting can hear one another for the entire discussion of the matters to be voted upon. Participation in a meeting pursuant to this paragraph shall constitute presence in person at such meeting.

13. Assignment of Interests

Except as otherwise provided in this Agreement, no Member or other person holding any interest in the Limited Liability Company may assign, pledge, hypothecate, transfer or otherwise dispose of any or all of his/her interest in the Limited Liability Company without the prior written consent of the other Members in each instance.

A Member may assign all or any part of such Member's interest in the allocations and distributions of the Limited Liability Company to any of the following (collectively the "permitted assignees"): any person, corporation, partnership or other entity as to which the Limited Liability Company has given consent to the assignment of such interest in the allocations and distributions of the Limited Liability Company by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests. An assignment to a permitted assignee shall only entitle the permitted assignee to the allocations and distributions to which the assigned interest is entitled, unless such permitted assignee applies for admission to the Limited Liability Company and is admitted to the Limited Liability Company as a Member in accordance with this agreement.

An assignment, pledge, hypothecation, transfer or other disposition of all or any part of the interest of a Member in the Limited Liability Company or other person

holding any interest in the Limited Liability Company in violation of the provisions hereof shall be null and void for all purposes.

No assignment, transfer or other disposition of all or any part of the interest of any Member permitted under this agreement shall be binding upon the Limited Liability Company unless and until a duly executed and acknowledged counterpart of such assignment or instrument of transfer, in form and substance satisfactory to the Managing Member, has been delivered to the Limited Liability Company.

No assignment or other disposition of any interest of any Member may be made if such assignment or disposition, alone or when combined with other transactions, would result in the termination of the Limited Liability Company within the meaning of Section 708 of the Internal Revenue Code or under any other relevant section of the Code or any successor statute. No assignment or other disposition of any interest of any Member may be made without an opinion of counsel satisfactory to the Managing Member that such assignment or disposition is subject to an effective registration under, or exempt from the registration requirements of the applicable federal and State securities laws. No interest in the Limited Liability Company may be assigned or given to any person below the age of 21 years or to a person who has been adjudged to be mentally incapacitated.

Notwithstanding anything in this Agreement to the contrary, the Managing Member and the Limited Liability Company shall be entitled to treat the holder of record of the interest of a Member as the absolute owner thereof, and shall incur no liability by reason of distributions made in good faith to such holder of record, unless and until there has been delivered to the Managing Member the assignment or other instrument of transfer and such other evidence as may be reasonably required by the Managing Member to establish to the satisfaction of the Managing Member that an interest has been assigned or transferred in accordance with this Agreement.

14. Right of First Refusal

If a Member desires to sell, transfer or otherwise dispose of any or all of his/her interest in the Limited Liability Company, such Member (the "Selling Member") shall first offer to sell and convey such interest to the other Members before selling, transferring or otherwise disposing of such interest to any other person, corporation or other entity. Such offer shall be in writing, shall be given to every other Member and shall set forth the interest to be sold, the selling price to be paid, the date on which the closing is to take place (which date shall be not less than thirty nor more than sixty days after the delivery of the offer), the location within the State of New York at which the closing is to take place, and all other material terms and conditions of the sale, transfer or other disposition.

Within fifteen days after the delivery of said offer, the other Members shall deliver to the Selling Member a written notice either accepting or rejecting the offer. Failure to deliver said notice within said fifteen days shall conclusively be deemed a

rejection of the offer. Any or all of the other Members may elect to accept the offer and, if more than one of the other Members elects to accept the offer, the interest being sold and the selling price therefor shall be allocated among the Members so accepting the offer in proportion to the Members' Percentage Interests, unless they otherwise agree in writing.

If any or all of the other Members elect to accept the offer, then the closing of title shall be held in accordance with the offer and the Selling Member shall deliver to the other Members who have accepted the offer an assignment of the interest being sold by the Selling Member and said other Members shall pay the selling price prescribed in the offer.

If no other Member accepts the offer, or if the Members who have accepted such offer default in their obligations to purchase the interest, then the Selling Member within one hundred twenty days after the delivery of the offer may sell such interest to any other person or entity at a price and conditions which are substantially the same as the terms and conditions set forth in the offer, provided that all other applicable requirements of this Agreement are complied with. An assignment of such interest to a person or entity who is not a Member of the Limited Liability Company shall only entitle such person or entity to the allocations and distributions to which the assigned interest is entitled, unless such person or entity applies for admission to the Limited Liability Company and is admitted to the Limited Liability Company as a Member in accordance with this Agreement.

If the Selling Member does not sell such interest within said one hundred twenty days, then the Selling Member may not thereafter sell such interest without again offering such interest to the other Members in accordance with this Article 14.

15. Covenant Not To Compete

Each of the Members covenants and agrees not to establish, open, be engaged in, nor in any manner whatsoever become interested, directly or indirectly, as employee, owner, partner, agent, stockholder, director, officer or otherwise, in any business, trade or occupation which competes with the business of the Limited Liability Company for the period and within the area hereinafter set forth.

The foregoing covenant not to compete shall remain in full force and effect for all of the following time periods: (a) during the entire time that such Member is employed by the Limited Liability Company, including any periods of temporary or permanent disability; and (b) during the entire time that such Member is the record owner or beneficial owner of any interest in the Limited Liability Company; and (c) for a period of two years after such Member's retirement from or termination of employment by the Limited Liability Company; and (d) for a period of two years after the sale or other disposition of all of such Member's interest in the Limited Liability Company.

The foregoing covenant not to compete shall be effective within the five boroughs of New York City.

Notwithstanding the foregoing, this Article shall not prevent any party hereto from owning up to five percent of the stock of any corporation, whether or not it competes with the Limited Liability Company, provided that the shares of such corporation are publicly traded on the American Stock Exchange, New York Stock Exchange, NASDAQ or other organized and generally recognized stock exchange.

Any Member may apply to a court of equity or other court of competent jurisdiction for injunctive relief to enforce this Article and/or to obtain monetary damages by reason of a breach of this Article.

16. Admission of New Members

The Members may admit new Members (or transferees of any interest of existing Members) into the Limited Liability Company by the unanimous vote or consent of the Members.

As a condition to the admission of a new Member, such Member shall execute and acknowledge such instruments, in form and substance satisfactory to the Managing Member, as the Managing Member may deem necessary or desirable to effectuate such admission and to confirm the agreement of such Member to be bound by all of the terms, covenants and conditions of this Agreement, as the same may have been amended. Such new Member shall pay all reasonable expenses in connection with such admission, including without limitation reasonable attorneys' fees and the cost of the preparation, filing or publication of any amendment to this Agreement or the Articles of Organization, which the Managing Member may deem necessary or desirable in connection with such admission.

No new Member shall be entitled to any retroactive allocation of income, losses, or expense deductions of the Limited Liability Company. The Managing Member may make pro rata allocations of income, losses or expense deductions to a new Member for that portion of the tax year in which the Member was admitted in accordance with Section 706(d) of the Internal Revenue Code and regulations thereunder.

In no event shall a new Member be admitted to the Limited Liability Company if such admission would be in violation of applicable federal or state securities laws or would adversely affect the treatment of the Limited Liability Company as a partnership for income tax purposes.

17. Dissolution and Liquidation

The Limited Liability Company shall terminate upon the occurrence of any of the following: the election by unanimous vote of the Members to dissolve the Limited Liability Company; or any other event which pursuant to this agreement, as the same may hereafter be amended, shall cause a termination of the Limited Liability Company.

The liquidation of the Limited Liability Company shall be conducted and supervised by the Managing Member or, if there be none, then by a person designated for such purposes by the affirmative vote or consent of Members holding a majority of the Members' Percentage Interests (the "Liquidating Agent"). The Liquidating Agent is hereby authorized and empowered to execute any and all documents and to take any and all actions necessary or desirable to effectuate the dissolution and liquidation of the Limited Liability Company in accordance with this Agreement.

Promptly after the termination of the Limited Liability Company, the Liquidating Agent shall cause to be prepared and furnished to the Members a statement setting forth the assets and liabilities of the Limited Liability Company as of the date of termination. The Liquidating Agent, to the extent practicable, shall liquidate the assets of the Limited Liability Company as promptly as possible, but in an orderly and businesslike manner so as not to involve undue expense or loss.

The proceeds of sale and all other assets of the Limited Liability Company shall be applied and distributed in the following order of priority: (i) to the payment of the expenses of liquidation and the debts and liabilities of the Limited Liability Company, other than debts and liabilities to Members; (b) to the payment of debts and liabilities to Members; (c) to the setting up of any reserves which the Liquidating Agent may deem necessary or desirable for any contingent or unforeseen liabilities or obligations of the Limited Liability Company, which reserves shall be paid over to an attorney-at-law admitted to practice in the State of New York, as escrowee, to be held for a period of two years for the purpose of payment of the aforesaid liabilities and obligations, at the expiration of which period the balance of such reserves shall be distributed as hereinafter provided; (d) to the Members in proportion to their respective capital accounts until each Member has received cash distributions equal to any positive balance in his/her capital account, in accordance with the rules and requirements of Treas. Reg. Section 1.704-1(b)(2)(ii)(b); and (e) to the Members in proportion to the Members' Percentage Interests.

The liquidation shall be complete within the time period required by Treas. Reg. Section 1.704-1(b)(2)(ii)(b).

If the Liquidating Agent shall determine that it is not practicable to liquidate all of the assets of the Limited Liability Company, the Liquidating Agent may retain assets having a fair market value equal to the amount by which the net proceeds of liquidated assets are insufficient to satisfy the debts and liabilities referred to in this Article 17. If, in the absolute judgment of the Liquidating Agent, it is not feasible to distribute to each Member his/her proportionate share of each asset, the Liquidating Agent may allocate

and distribute specific assets to one or more Members in such manner as the Liquidating Agent shall determine to be fair and equitable, taking into consideration the tax basis of each asset.

Upon compliance with the distribution plan, the Members shall cease to be such and the Managing Members shall execute, acknowledge and cause to be filed such certificates and other instruments as may be necessary or appropriate to evidence the dissolution and termination of the Limited Liability Company.

18. Representations of Members

Each of the Members represents, warrants and agrees that the Member is acquiring the interest in the Limited Liability Company for the Member's own account for investment purposes only and not with a view to the sale or distribution thereof; the Member, if an individual, is over the age of 21; if the Member is an organization, such organization is duly organized, validly existing and in good standing under the laws of its state of organization and that it has full power and authority to execute this Agreement and perform its obligations hereunder; the execution and performance of this agreement by the Member does not conflict with, and will not result in any breach of any law, order, writ, injunction or decree of any court or governmental authority against or which binds the Member, or of any agreement or instrument to which the Member is a party; and the Member shall not dispose of such interest or any part thereof in any manner which would constitute a violation of the Securities Act of 1933, the Rules and Regulations of the Securities and Exchange Commission, or any applicable laws, rules or regulations of any state or other governmental authorities, as the same may be amended.

19. Notices

All notices, demands, requests or other communications which any of the parties to this agreement may desire or be required to give hereunder shall be in writing and shall be deemed to have been properly given if sent by Federal Express courier or by registered or certified mail, return receipt requested, with postage prepaid, addressed as follows: (a) if to the Limited Liability Company, to the Limited Liability Company in care of the Managing Member at his address first above written, or to such other address or addresses as may be designated by the Limited Liability Company or the Managing Member by notice to the Members pursuant to this Article 19; (b) if to the Managing Member, to the Managing Member at his address first above written or to such other address or addresses as may be designated by the Managing Member by notice to the Limited Liability Company and the Members pursuant to this Article 19; and (c) if to any Member, to the address of said Member first above written or to such other address or addresses as may be designated by said Member by notice to the Limited Liability Company and the other Members pursuant to this Article 19. Each Member shall keep the Limited Liability Company and the other Members informed of such Member's current address.

20. Amendments

This Agreement may not be altered, amended, changed, supplemented, waived or modified in any respect or particular unless the same shall be in writing and agreed to by the affirmative vote or consent of Members holding two thirds of the Members' Percentage Interests. No amendment may be made to Articles 6, 8, 13 or 17 hereof, insofar as said Articles apply to the financial interests of the Members, except by the unanimous vote or consent of all of the Members. No amendment of any provision of this Agreement relating to the voting requirements of the Members on any specific subject shall be made without the affirmative vote or consent of at least the number or percentage of Members required to vote on such subject.

21. Miscellaneous

This Agreement and the rights and liabilities of the parties hereunder shall be governed and determined in accordance with the laws of the State of New York. Every provision of this Agreement is intended to be severable. If any provision of this Agreement shall be invalid or unenforceable, such invalidity or unenforceability shall not affect the other provisions of this Agreement, which shall remain in full force and effect.

The captions in this Agreement are for convenience only and are not to be considered in construing this Agreement. All pronouns shall be deemed to be the masculine, feminine, neuter, singular or plural as the identity of the person, persons or entities may require. This Agreement and any amendments hereto may be executed in counterparts all of which taken together shall constitute one agreement.

This Agreement sets forth the entire agreement of the parties hereto with respect to the subject matter hereof. It is the intention of the Members that this Agreement shall be the sole source of agreement of the parties and, except to the extent that a provision of this agreement provides for the incorporation of federal income tax rules or expressly prohibited or ineffective under the New York Limited Liability Company Act, this Agreement shall govern even when inconsistent with, or different from, the provisions of any applicable law or rule. To the extent any provision of this Agreement is prohibited or otherwise ineffective under the New York Limited Liability Company Act, such provision shall be considered to be ineffective to the smallest degree possible in order to make this Agreement effective under the New York Limited Liability Company Act. If the New York Limited Liability Company act is subsequently amended or interpreted in such a way to make any provision of this Agreement that was formerly invalid valid, such

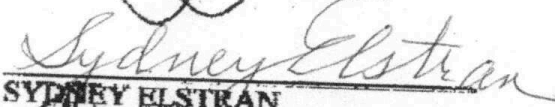

provision shall be considered to be valid from the effective date of such interpretation or amendment.
