Canine Biologics has one mission: Help dogs with cancer!

Operating under the brand name Canine Biologics, research and development activities began in 2016 to bring a unique new approach to the market of nutrition for dogs with cancer. Formulated by veterinarians with PhDs in Nutrition and Oncology, our products are designed to give dogs their best, fighting chance for a positive outcome. Seed funding was provided in 2019 and the company incorporated under the name Canine Life Sciences, Inc. DBA Canine Biologics.
