Chisos is an investment platform that provides idea-stage and side-hustle founders with an alternative funding option. Chisos invests \$15-50k using a Convertible Income Share Agreement, which combines an income share agreement with the founder and a small percentage of equity in the founder's business. The unique investment model facilitates investment in pre-traction or side-hustle businesses, where other capital sources are not available.

LaKay wrote an article on me and my company (Chisos) that was featured on the Conscious Company Media platform. LaKay did an excellent job streamlining and simplifying the entire process for me. She laid out the steps and communicated the timeline for first draft, review and publishing of the article. I was very pl... See more
