Offering Statement on Form 1-A

Cover page

1. We note your disclosure on page 66 that while each share of Class A Common Stock entitles the holder to ten votes and each share of Class C Common Stock entitles the holder to one vote, "Class D Common Stock and Class B Common Stock are non-voting and shall not be entitled to vote on any company matter." Please revise your cover page to describe any disparate voting rights between different classes of your common stock. Please also reconcile the disclosure on the cover page, which states that you are offering Class D common stock, with disclosure on page 66, which states that you are offering of Class B common stock.

We will consider qualifying your offering statement at your request. If a participant in your offering is required to clear its compensation arrangements with FINRA, please have FINRA advise us that it has no objections to the compensation arrangements prior to qualification.
