Draft Registration Statement on Form S-1 submitted June 4, 2021

Our Acquisition Process, page 12

1. Please clarify here that the low price the founders paid for the founder shares creates an incentive whereby your officers and directors could potentially make a substantial profit even if you select an acquisition target that subsequently declines in value and is unprofitable for public investors. As a separate matter add a risk factor addressing this risk.

Provisions in our amended and restated memorandum and articles of association, page 75

2. We note that your exclusive forum provision identifies the federal courts of the United States as the exclusive forum for claims arising under the provisions of the Securities Act.

However, please also clarify by stating that Section 22 of the Securities Act creates concurrent jurisdiction for federal and state courts over all suits brought to enforce any duty or liability created by the Securities Act or the rules and regulations thereunder and that investors cannot waive compliance with the federal securities laws and rules and regulations thereunder. Please revise accordingly. Also, include disclosure about this provision and the warrant agreement exclusive forum provision discussed on page 70 in the Description of Securities section beginning on page 143.

Principal Shareholders, page 139

3. Please revise to identify the natural person(s) with voting or dispositive control of the shares held by Green Visor Capital Holdco, LLC.
