Kayle Watson

Head of Operations and BD
New York, New York, United States

Experience

ClearingBid, Inc.
Head of Operations & BD
November 2022 - Present (8 months)
United States

Joined ClearingBid as a key member of the management team; Heading up Operations and BD. Specifically to help establish, assist in overseeing the organizations business processes and procedures, including providing oversight for the efficiency, integrity and security of the company's business operations. These internal and external responsibilities are expected to include assisting with selected business development efforts and strategic initiatives as we move forward.

STONEHAVEN, LLC
Director Of Business Development
June 2022 - November 2022 (6 months)
United States

Kayle is a Director of Business Development responsible for helping lead the growth plan of Stonehaven, covering the Eastern Region for the firm. Kayle partners with management to help establish firm-wide growth goals and solutions, lead the recruitment of qualified Affiliate Partners, manage prospective Affiliate Partner relationships, and interface with the executive team in a leadership role.

Stonehaven is a global private capital markets FinTech platform for a diverse community of investment bankers and placement agents (Affiliate Partners).

Stonehaven supports our Affiliate Partners with a robust broker-dealer infrastructure, our proprietary Nexus SaaS technology, a collaborative ecosystem, a large universe of active mandates, origination & distribution capabilities, marketing services, and industry insights.

Stonehaven is active across direct private placements, hedge funds, long-only strategies, M&A, private credit, private equity, real estate, and secondaries.
