Sweater Inc. vs. Sweater Cashmere

What's the difference? Watch the video for full details on the important nuances.

Venture-Backed VC Fund

02:26

Sweater Inc. is powered by VCs and angel investors. You can join them in owning part of Sweater Inc.'s future.

Technology Ecosystem

Sweater Inc. is a technology ecosystem. The Cashmere Fund is part of that ecosystem, as is every product Sweater Inc. ever launches.

The Sweater Cashmere Fund is an independent fund managed by Sweater Inc. The investment opportunity presented here, in this community round, is an investment in the wealthtech operating company, Sweater Inc. An investment at the Sweater Inc. level gives you exposure to all the value the Sweater ecosystem will create in the future.

If you are unaccredited, you will join through an exemption called a RegCF, which allows you to do this.

From Impossible to Reality

The Sweater Cashmere Fund

It took Sweater Inc. four years to bring the Cashmere Fund to life. As evidence that it is real, you can read all the details yourself through the prospectus, SAI, and Schedule of Investments, linked on the right. Anyone can download the Sweater app and invest into the Cashmere Fund today. With this foundation, Sweater Inc. will launch additional themed funds in the future alongside the Cashmere Fund, all nested under Sweater Inc.'s umbrella.

We Know How to Reach the Masses

We walk a fine line between entertainment and education. Our objective is to capture the attention and imagination of people around the world to learn about venture capital. Our track record is well-proven, and we will continue to take the venture capital asset class to the world.

Portfolio companies

We've already invested in 15 startups from across the country through the Cashmere Fund—see a handful below. While an investment in Sweater Inc. doesn't give you direct exposure to these companies, it does give you exposure to the fund ecosystem that Sweater Inc. is building. This includes the Cashmere Fund itself and all other funds that will launch under the Sweater Inc. umbrella in the years to come.

Dalmore Group does not make investment recommendations and no communication, through this website or in any other medium should be construed as a recommendation for any security offered on or off this investment platform. Equity crowdfunding investments in private placements, and start-up investments in particular, are speculative and involve a high degree of risk and those investors who cannot afford to lose their entire investment should not invest in start-ups. Companies seeking startup investments through equity crowdfunding tend to be in earlier stages of development and their business model, products and services may not yet be fully developed, operational or tested in the public marketplace. There is no guarantee that the stated valuation and other terms are accurate or in agreement with the market or industry valuations. Additionally, investors may receive illiquid and/or restricted stock that may be subject to holding period requirements and/or liquidity concerns. In the most sensible investment strategy for start-up investing, start-ups should only be part of your overall investment portfolio. Further, the start-up portion of your portfolio may include a balanced portfolio of different start-ups. Investments in startups are highly illiquid and those investors who cannot hold an investment for the long term (at least 5-7 years) should not invest. Dalmore Group does not provide custody services in connection any investments made through the platform.
