We also note that you are listed on the NYSE American and that Section 119 of the NYSE American LLC Company Guide requires that a special purpose acquisition company complete one or more business combinations within 36 months of the effectiveness of its IPO registration statement. Please revise to explain that the proposal to extend your termination deadline to June 17, 2025, does not comply with this rule, or advise, and revise to disclose the risks of your non-compliance with this rule, including that your securities may be subject to suspension and delisting from the NYSE American, and the consequences of any such suspension or delisting. Further, we note that, in your 8-K filed April 19, 2024, you disclose that you have received notice that you are not in compliance with the continued listing standard of NYSE American because you failed to timely file your 10-K. Please disclose this and the risk associated with your failure to comply with Section 1007 of the
