Received (5)**Given (6)****Qingzhu Yin**

Professor at
University of
California at
Davis

December 20,
2012, Qingzhu
worked with S.
Mason but at
different
companies

It has been a pleasure to work with Stuart. in the past I have dealt with many science writers reporting various papers of mine. I have to say that he is the most serious, dedicated, and - most importantly - produces the most accurate scientific reporting I have encountered thus far. His approach ... **See more**

**Stephen
Pieraldi**

Cyber Security
Architect at HP

July 12, 2005, S.
Mason worked with
Stephen in the
same group

Stuart and I have worked on many projects that always exceed customer requirements. He is detail oriented and able to convert complex business requirements into a common and understandable language. His keen understanding of technology is an asset in any endeavor as it allows h... **See more**
