Social Services

I was a missionary for the Church of Jesus Christ of Latter Day Saints in Vina Del Mar Chile for two years. I learned how to speak with the Chilean people in their native tongue of Spanish. I taught the people about the Gospel of Jesus Christ and I served in their communities for several hours each week helping them build homes, learn English, and help them with anything else they needed.

Poverty Alleviation

My family and I have volunteered to help this organization build homes in Mexico for those who live in poverty. We have gone twice and have assisted in building six homes. We plan to go back. The experience is extremely rewarding.
