

## Are retail investors the LPs of the future?

Not everyone should invest in venture capital, but everyone should have the *option* to invest in venture capital.

Or so says the **Fundrise Innovation Fund**.

The pioneering fund has already raised \$125m+ in its bid to level the playing field in one of the asset classes still largely untouched by the retail revolution.

With a portfolio of some of the biggest names in tech, the **Fundrise Innovation Fund** is making it easier than ever for *anyone* to “get in early.”
