In the event the Company should fail to make any of the payments required in this Section 4.4, the item or installments shall accrue interest at the prime rate of the Trustee (or its primary banking affiliate) and shall continue as an obligation of the Company until the amount shall have been fully paid.

(b) The Company agrees to pay to the Remarketing Agent as set forth in the Remarketing Agreement, until the principal of, premium, if any, and interest on the Bonds shall have been fully paid or provision for the payment thereof shall have been made in accordance with the provisions of the Indenture and provided that they are providing services as Remarketing Agent, (i) an amount equal to the reasonable annual fee of the Remarketing Agent for the ordinary services of the Remarketing Agent rendered and its reasonable ordinary expenses incurred under the Indenture and the Remarketing Agreement, as and when the same become due, and (ii) the reasonable fees, charges and expenses of the Remarketing Agent for the necessary extraordinary services rendered by it and extraordinary expenses incurred by it under the Indenture and the Remarketing Agreement, as and when the same become due, including reasonable attorneys fees. In the event the Company shall fail to make any of the payments required in this Section, the item or installments shall continue as an obligation of the Company until the amount shall have been fully paid.

SECTION 4.5. Company's Option to Designate Interest Rate Determination Methods. The Company is hereby granted the option to designate from time to time changes in interest rate determination methods in the manner and to the extent set forth in Section 3.3 of the Indenture. In the event the Company elects to exercise any such option, the Company agrees that it shall cause notices of changes in interest rate determination methods to be given to the Issuer, the Trustee, the Bank, if any, and the Remarketing Agent in accordance with Section 3.3(b) of the Indenture.

SECTION 4.6. Purchase of Bonds. (a) The Company shall cause the necessary arrangements to be made and to be thereafter continued whereby from time to time owners of the Bonds may deliver Bonds for purchase and whereby such Bonds shall be so purchased. In furtherance of the foregoing covenant of the Company, the Issuer, at the direction of the Company, has set forth in Article IV of the Indenture the terms and conditions relating to the delivery of Bonds by the registered holders thereof to the Remarketing Agent for purchase and has set forth in the Indenture or the Remarketing Agreement the duties and responsibilities of the Remarketing Agent with respect to the purchase and remarketing of Bonds. The Company hereby

authorizes and directs the Remarketing Agent to purchase, offer, sell, and deliver Bonds in accordance with the provisions of Article IV of the Indenture.

Without limiting the generality of the foregoing covenant of the Company, the Company covenants, for the benefit of the owners of the Bonds, to pay, or cause to be paid, to the Trustee such amounts as shall be necessary to enable the Paying Agent to pay the Purchase Price of the Bonds delivered to it for purchase or deemed delivered for purchase, all as more particularly described, in the Indenture; provided, however, that the obligation of the Company to make, or cause to be made, any such payment hereunder shall be satisfied only, in order of priority, first, by funds received by the Paying Agent from the remarketing of the Bonds by the Remarketing Agent, second, in the event sufficient funds are not available from such remarketing, from draws upon the Credit Facility, if any, and third, from funds provided by the Company.

(b) The Issuer shall have no obligation or responsibility, financial or otherwise, with respect to the purchase of Bonds or the making or continuation of arrangements therefor other than as expressly set forth in subsection (a) of this Section 4.6, except that the Issuer shall generally cooperate with the Company and the Remarketing Agent as contemplated by the Indenture.

SECTION 4.7. Credit Facility. (a) A Credit Facility will not be provided upon the initial delivery of the Bonds. In order to support the payment of principal of and interest on, and Purchase Price of, the Bonds, when due, the Company may, after the initial delivery of the Bonds, secure and deliver to the Trustee, for the benefit of the owners of the Bonds, the Credit Facility. The Credit Facility shall conform to the requirements set forth in the Indenture. After the initial delivery of the Credit Facility, and at all times thereafter while any of the Bonds are Outstanding, the Company may, but shall not be obligated to cause the Bonds to be supported by either extensions of the Credit Facility or by the securing and delivery of an alternate Credit Facility. The Company hereby authorizes the Trustee to seek payment under any Credit Facility in accordance with its terms and the terms of the Indenture. As long as a Credit Facility is in effect and the Bank is not in default thereunder, the Company's obligation to make Loan Payments sufficient hereunder to pay principal of, premium, if any, or interest on the Bonds or to pay Purchase Price of the Bonds shall be satisfied solely from payments made by the Bank pursuant to the Credit Facility. Amounts drawn by the Trustee under any Credit Facility shall be credited against the obligation of the Company to make Loan Payments and Purchase Price Payments hereunder.

(b) In the event the Company elects to deliver a Credit Facility, the Company shall notify the Trustee in writing at least forty-five days prior to the expiration of such Credit Facility whether or not the Bank intends to extend such Credit Facility or whether a binding obligation to secure an alternate Credit Facility has been entered into.

(c) The Company, the Trustee, and the Bank, with the written consent of the Issuer, may, without the consent of the Bondholders, amend, change, or modify any Credit Facility (i) to cure any ambiguity, formal defect, inconsistency, or minor omission, (ii) to conform to the requirements of the Indenture or the Rating Services, or (iii) if such amendment, change or modification is not prejudicial to the Bondholders in any material respect and the Trustee receives a Favorable Opinion to such effect.

(d) The Company shall pay all costs incurred by the Trustee and the Issuer in connection with any reissuance, extension or substitution of any Credit Facility.

SECTION 4.8. Excess Funds. After all of the Bonds have been retired and all interest and applicable premiums, if any, due thereon have been paid or provision for such retirement and payment has been made, and all compensation and expenses of the Trustee and any Paying Agent have been paid as set forth in any of the Financing Documents or provision for such payment has been made, any excess moneys

remaining in the Construction Fund and the Bond Fund shall forthwith be paid by the Trustee to the Company in the manner prescribed respectively, by Section 5.4 and Section 6.4 of the Indenture.

SECTION 4.9. Nature of Obligations of the Company. Until all of the Bonds shall be deemed to have been paid within the meaning of Section 16.1 of the Indenture, the obligations of the Company to pay the Loan Payments and Purchase Price Payments as provided in this Agreement and to make or cause to be made all other payments required herein shall be absolute and unconditional, irrespective of any rights of set-off, recoupment or counterclaim the Company might otherwise have against the Issuer, the Trustee or any other Person or Persons, and the Company will not suspend or discontinue any such payment or (except in accordance with Article VII of this Agreement) terminate this Agreement for any cause including, without limiting the generality of the foregoing, any event constituting force majeure, any acts or circumstances that may constitute an eviction or constructive eviction, failure of consideration, failure of title, or commercial frustration of purpose, or any damage to or destruction of all or part of the Project, or the failure to obtain any permit or order from any governmental agency which is required to be obtained in connection with the operation of the Project or the taking or condemnation of title to or the use or possession of all or any part of the Project, or any change in the laws of the United States, or any state, or any political subdivision thereof, or any failure of the Issuer to perform and observe any agreement or covenant, whether express or implied, or to discharge any duty, liability or obligation arising out of or connected with this Agreement or any other agreement between the Company and the Issuer. The preceding sentence shall not be construed to release the Issuer from the performance of any of its obligations contained in this Agreement, or except to the extent provided in this Section, prevent or restrict the Company from asserting any rights which it may have against the Issuer, the Trustee or any other persons under this Agreement or under any provision of law or prevent or restrict the Company, at its own cost and expense, from prosecuting or defending any action or proceeding against or by third parties or taking any other action to secure or protect its rights of purchase, acquisition, possession and use of the Project and its rights under this Agreement.

SECTION 4.10. Company Obligations Under the Indenture. The Company agrees that it will perform all obligations imposed on the Company under the Indenture.

ARTICLE V

MAINTENANCE, INSURANCE, MODIFICATIONS AND ABANDONMENT

SECTION 5.1. Maintenance and Insurance. Subject to the other provisions of this Agreement, the Company shall not be required to maintain, repair or replace any portion of the Project, but may from time to time do any and all of the foregoing as it, in its sole discretion, shall deem appropriate. The Company shall provide (including through self-insurance) for such insurance coverage including assumption of the risk of damage or destruction as is customarily carried by Persons engaged in the same business as and having the financial capability of the Company with respect to operating facilities like the facilities that comprise the Project.

SECTION 5.2. Modifications. Subject to the provisions of Sections 8.11 and 8.12 of this Agreement, the Company shall have the right to remodel or alter the Project, make substitutions, additions and improvements thereto and abandon or remove any part thereof, all as the Company, in its sole discretion, may deem to be desirable.

SECTION 5.3. Issuer Relieved from Responsibility to Maintain Project. The Company and the Issuer hereby expressly acknowledge and agree that the Issuer is under no responsibility to maintain, operate, insure or repair the Project and the Company expressly relieves the Issuer from any such responsibility.

ARTICLE VI

CASUALTY AND CONDEMNATION

SECTION 6.1. Casualty or Condemnation of the Project. If (a) any material damage or destruction of the Project or any portion thereof shall occur or (b) title to or the temporary use of any portion of the Project shall be taken in any condemnation proceedings or by the exercise of the power of eminent domain by any governmental body or by any person acting under governmental authority, the Company shall (i) in its sole judgment, restore or not restore the Project or portions thereof so damaged, destroyed or condemned, (ii) be entitled to dispose of the proceeds of any such insurance or condemnation awards in any manner it deems proper, and (iii) not be obligated to notify the Issuer with respect to such actions.

SECTION 6.2. Effect of Casualty or Condemnation. The occurrence of a casualty or condemnation shall not entitle the Company to any abatement, postponement or reduction in the amount of the Loan Payments or Purchase Price Payments payable under this Agreement and the Company hereby waives the benefits and provisions of all laws and rights which, by reason of the casualty or condemnation, might relieve the Company from any of its obligations under this Agreement.

SECTION 6.3. Cooperation; Sale in Lieu of Condemnation. The Issuer agrees that, if and to the extent that the Company may request, it will cooperate with the Company at the expense of the Company in all matters relating to any casualty to or condemnation of all or any part of the Project and to this end the Issuer hereby authorizes the Company to take any and all action, in its own name or in the name of the Issuer as the Company may elect, which the Issuer could take in respect of such matters, after giving prior written notice to the Issuer.

ARTICLE VII

PREPAYMENT OF LOAN PAYMENTS

SECTION 7.1. Prepayment and Payment of Loan. The Company may at any time deliver moneys and/or Governmental Obligations to the Trustee with instructions to the Trustee to hold such moneys and/or Governmental Obligations in the special segregated fund referred to in Section 16.1 of the Indenture in connection with a discharge of the Indenture.

No payment of or on account of the Loan Payments need be made during the term of this Agreement or thereafter when and so long as the amount in the Bond Fund, together with any other amounts then held by the Trustee and available for the purpose, is sufficient to retire all of the Bonds then outstanding in accordance with the Indenture, including any applicable redemption premium on such Bonds and the amount of interest due and thereafter to become due on the Bonds on and prior to such retirement. However, if, subsequent to a date on which the Company is not obligated to pay the Loan Payments or any installment thereof pursuant to the preceding sentence, losses (net of gains) shall be incurred in respect of the investments in the Bond Fund and such net losses or any other event shall have reduced the amounts in the Bond Fund, together with any other amounts then held by the Trustee and available for the purpose, below the amount sufficient at the time of such occurrence or other event to redeem or pay, in accordance with the provisions of the Indenture, on the next date on which redemption or payment is to be effected, the principal amount of the Bonds, and the amount of interest and premium, if any, due or to become due on the Bonds on and prior to such redemption or payment, the Trustee shall notify the Company of such fact and thereafter, the Company, as and when required for purposes of such Bond Fund, shall pay to the Trustee for deposit in the Bond Fund the amount of any such reduction below such sufficient amount.

SECTION 7.2. Mandatory Acceleration of Loan Payments; Preservation of Tax Status. The Company covenants that it will not take any action or omit to take any action required under this Agreement, the Code and the Regulations, as applicable, which act or omission will cause the interest paid on the Bonds to become includable in the gross income of the holders thereof for federal income tax purposes. The payment of the Loan Payments shall be accelerated, in whole or in part, upon the mandatory redemption of the Bonds as provided in Section 9.1(b) of the Indenture.

The provisions of this Section 7.2 shall be deemed a separate and independent covenant for the benefit of the holders of the Bonds. Acceleration pursuant to this Section 7.2 shall not limit or discharge any remaining obligations which the Company may have.

ARTICLE VIII

SPECIAL REPRESENTATIONS AND COVENANTS

SECTION 8.1. Indemnification. The Company agrees that it will at all times indemnify and hold harmless each of the Indemnified Parties against any and all losses, penalties, costs, damages, expenses and liabilities (collectively herein called "Losses") of whatsoever nature (including but not limited to reasonable attorney's fees and expenses, the reasonable allocated costs and expenses of in-house counsel, litigation and court costs, amounts paid in settlement and amounts paid to discharge judgments) directly or indirectly resulting from, arising out of, or related to one or more Claims, as hereinafter defined, even if such Losses or Claims, or both, directly or indirectly result from, arise out of or relate to or are asserted to have resulted from, arisen out of, or related to, in whole or in part, one or more negligent or grossly negligent acts or omissions of the Indemnified Parties (except for the Trustee and the Paying Agent, which will be liable for their own negligent and grossly negligent acts and omissions unless the Trustee or Paying Agent was acting in accordance with a direction upon which it is entitled to rely under the Financing Documents, in which event this exception shall not apply) in connection with the issuance of the Bonds, arising out of or in connection with the execution and performance of the Financing Documents, a breach of the Company of its covenants under this Agreement, or in connection with the Project. The term "Claims" as used herein shall mean all claims, lawsuits, Internal Revenue Service audits in connection with the Bonds, causes of action and other legal actions and proceedings of whatsoever nature, including but not limited to claims, lawsuits, causes of action and other legal actions and proceedings, involving bodily or personal injury or death of any person or damage to any property (including, but not limited to, persons employed by the Issuer, the Trustee, the Company, the Paying Agent or any other Person and all property owned or claimed by any Indemnified Party, the Company, any affiliate of the Company or any other Person) or involving damages relating to the issuance, offering, sale or delivery of the Bonds brought against any Indemnified Party or to which any Indemnified Party is a party, even if groundless, false or fraudulent, that directly or indirectly result from, arise out of, or relate to the design, construction, installation, operation, use, occupancy, maintenance or ownership of the Project or any part thereof or from the issuance, offering, sale or delivery of the Bonds, and including but not limited to all claims for indemnification of the Trustee arising out of or in connection with the performance of any of its powers or duties under and in accordance with the terms of the Indenture or any of the other Financing Documents. Without limiting the generality of the foregoing, the term "Claims" shall include Claims brought under federal or state environmental or hazardous materials laws. The obligations of the Company under this Section 8.1 shall apply to all Losses or Claims, or both, that result from, arise out of, or are related to any event, occurrence, condition or relationship and shall survive the termination of this Agreement. The obligations of the Company under this Section 8.1 shall not be affected by any assignment or other transfer by the Issuer of its rights, titles or interests under this Agreement to the Trustee pursuant to the Indenture or the resignation or removal of the Trustee for any reason, or the termination of the Financing Documents or the payment or defeasance of the Bonds and will continue to inure to the benefit of the Indemnified Party both prior to and after any such assignment or transfer or resignation or removal. None of the Indemnified Parties will be liable to the Company for, and the Company hereby releases each of them from all liability to the Company for, all injuries, damages or destruction of all or any part or parts of any property owned or claimed by the Company that directly or indirectly result from, arise out of or relate to the design, construction, operation, use, occupancy, maintenance or ownership of the Project or any part thereof, even if such injuries, damages or destruction directly or indirectly result from, arise out of or relate to, in whole or in part, one or more negligent or grossly negligent acts or omissions of the Indemnified Parties in connection with the issuance of the Bonds, in connection with the execution and performance of the Financing Documents or in connection with the Project. Each Indemnified Party, as appropriate, shall reimburse the Company for payments made by the Company pursuant to this Section 8.1 to the extent of any proceeds, net of all expenses of collection, actually received by them from any insurance with respect to the loss sustained. Each Indemnified Party may, but

shall not have the duty to claim any such insurance proceeds and, to the extent of any such claim, such Indemnified Party shall assign its rights to such proceeds, to the extent of such required reimbursement, to the Company. In case any action shall be brought or to the knowledge of any Indemnified Party threatened against any of them in respect of which indemnity may be sought against the Company, the Indemnified Party shall promptly notify the Company in writing and the Company shall have the right to assume the investigation and defense thereof including the employment of counsel and the payment of all expenses. The Company shall not settle any such case without the consent of the affected Indemnified Party, which consent shall not be unreasonably withheld. The Indemnified Party shall have the right to employ separate counsel in any such action and participate in the investigation and defense thereof, but the fees and expenses of such counsel shall be paid by the Indemnified Party unless (a) the employment of such counsel has been specifically authorized by the Company, in writing, or (b) the Company has failed to assume the defense and to employ counsel or (c) the named parties to any such action (including any impleaded parties) include both an Indemnified Party and the Company, and said Indemnified Party shall have been advised by its counsel that there may be one or more legal defenses available to it which are different from or additional to those available to the Company (in which case, if the Indemnified Party notifies the Company in writing that it elects to employ separate counsel at the Company's expense, the Company shall not have the right to assume the defense of such action on behalf of such Indemnified Party, it being understood, however, that the Company shall not, in connection with any one such action or separate but substantially similar or related actions in the same jurisdiction arising out of the same general allegations or circumstances, be liable for the reasonable fees and expenses of more than one separate firm of attorneys for the Indemnified Parties, provided that any Indemnified Party which has been advised by counsel that there may be one or more legal defenses available to it which are different from or additional to those available to any other Indemnified Party shall have the right to employ separate counsel whose reasonable fees and expenses shall be paid by the Company, which firm shall be designated in writing by said Indemnified Party). The Indemnified Party, as a condition of such indemnity, shall use its best efforts to cooperate with the Company in the defense of any such action or claim. The Company shall not be liable for any settlement of any such action without its consent but, if any such action is settled with the consent of the Company or if there be final judgment for the plaintiff in any such action, the Company agrees to indemnify and hold harmless the Indemnified Parties from and against any Loss by reason of such settlement or judgment.

In the event of failure by the Company to observe the covenants, conditions and agreements contained in this Section 8.1, any Indemnified Party may take any action at law or in equity to collect amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Company under this Section 8.1.

SECTION 8.2. Representations of the Company. The Company represents that it is duly organized and existing under the laws of the State, that it is and it (or its successors hereunder) will remain duly qualified to do business in the State, that it has duly accomplished all conditions precedent necessary to be accomplished by it prior to issuance and delivery of the Bonds and execution and delivery of this Agreement, that it is not in default under any agreement, indenture or other instrument in any manner which would impair the Company's ability to carry out its obligations hereunder, that it has power to enter into the transactions contemplated by this Agreement, that it has been duly authorized to execute and deliver this Agreement and that it will not, except as provided in this Section, voluntarily take any action that would adversely affect its existence.

SECTION 8.3. Filing. The Company will cause all financing and continuation statements related to this Agreement and the Indenture and all supplements to either of the foregoing, as well as such other security agreements, financing and continuation statements and all supplements thereto and other instruments as may be required from time to time to be kept and filed in such manner and in such places as may from time to time be required by law in order to preserve and protect fully the security of the holders and the rights of

the Trustee hereunder and under the Indenture and to take or cause to be taken any and all other action necessary to perfect the security interest created under the Indenture or this Agreement.

SECTION 8.4. Representations and Covenants of the Issuer. The Issuer represents that it is duly organized and existing under the Act, that it has duly accomplished all conditions precedent necessary to be accomplished by it prior to issuance and delivery of the Bonds and execution and delivery of this Agreement and the Indenture, that it is not in default under any of the provisions contained in the laws of the State or any agreement to which it is a party in any manner which would impair its ability to carry out its obligations hereunder, that it has power to enter into and perform the transactions contemplated by this Agreement and the Indenture, that it has been duly authorized to execute, deliver and perform this Agreement and the Indenture, and that it will not voluntarily take any action that would adversely affect its existence.

The Issuer will not knowingly take any affirmative action or omit to take any action within its control, which act or omission will adversely affect the exclusion from gross income for federal income tax purposes of interest paid on the Bonds, and in the event it should unknowingly do so or omit to do so, will promptly upon having such event brought to its attention take such reasonable actions as may rescind or otherwise negate its unknowing action or omission.

SECTION 8.5. Removal of Liens. If any lien, encumbrance or charge of any kind based on any claim of any kind (including, without limitation, any claim for income, franchise or other taxes, whether federal, state or otherwise), shall be asserted or filed against any amount paid or payable by the Company under or pursuant to this Agreement or any order (whether or not valid) of any court shall be entered with respect to any such amount by virtue of any claim of any kind, in either case so as to:

- (a) interfere with the due payment of such amount to the Trustee or the due application of such amount by the Trustee pursuant to the applicable provisions of the Indenture,
- (b) subject the holders of the Bonds to any obligation to refund any moneys applied to payment of the Bonds, or
- (c) result in the refusal of the Trustee to make such due application because of its reasonable determination that liability might be incurred if such due application were to be made,

then the Company will promptly take such action (including, but not limited to, the payment of money) as may be necessary to prevent, or to nullify the cause or result of, such interference, such obligation or such refusal, as the case may be.

SECTION 8.6. Special Covenants. The Issuer and the Company agree that all proceeds received from the sale of the Bonds, as well as all Loan Payments paid by the Company and other moneys received by the Issuer pursuant to this Agreement, shall be applied solely in the manner and for the purposes specified in this Agreement and the Indenture. The Issuer further agrees that it will observe the covenants made by it in the Indenture and that the Company may have and exercise all the rights, powers and benefits stated to be in the Company in this Agreement and the Indenture and that, without the prior written consent of the Company, the Indenture, the Bonds and any bond purchase agreement pursuant to which the Bonds are to be sold shall not be modified in any manner.

SECTION 8.7. Bonds are Limited Obligations. The Bonds shall be limited obligations of the Issuer, payable solely out of the Revenues derived from or in connection with this Agreement (including all sums deposited in any Fund (other than the Bond Purchase Fund and the Rebate Fund) from time to time pursuant to this Agreement, the Indenture, and the Note) and, in certain events, out of amounts attributable

to Bond proceeds or amounts obtained through the exercise of any remedy provided for in the Indenture. The Bonds shall never be paid out of any other funds of the Issuer except such Revenues. No recourse under the Bonds shall be had against any past, present or future officer or director of the Issuer. The Bonds shall never be paid in whole or in part out of any funds raised or to be raised by taxation or out of any other revenues or assets of the Issuer or the State except those Revenues pledged by the Indenture. The principal of, and premium, if any, and interest on the Bonds are secured, as set forth in the Indenture, by an assignment by the Issuer of certain of its rights under this Agreement and the Note, including a pledge of certain of the Revenues derived from and in connection with this Agreement.

THE BONDS ARE LIMITED AND SPECIAL OBLIGATIONS OF THE ISSUER AND DO NOT CONSTITUTE OR CREATE AN OBLIGATION, GENERAL OR SPECIAL, DEBT, LIABILITY OR MORAL OBLIGATION OF THE STATE OR ANY POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISIONS WHATSOEVER AND NEITHER THE FAITH OR CREDIT NOR THE TAXING POWER OF THE STATE OR OF ANY POLITICAL SUBDIVISION THEREOF IS PLEDGED TO THE PAYMENT OF THE PRINCIPAL OF, PREMIUM, IF ANY, OR THE INTEREST ON THE BONDS. THE BONDS ARE NOT A GENERAL OBLIGATION OF THE ISSUER (WHICH HAS NO TAXING POWER AND RECEIVES NO FUNDS FROM ANY GOVERNMENTAL BODY) BUT ARE A LIMITED AND SPECIAL REVENUE OBLIGATION OF THE ISSUER PAYABLE SOLELY FROM THE INCOME, REVENUES AND RECEIPTS DERIVED OR TO BE DERIVED FROM PAYMENTS MADE PURSUANT TO THIS AGREEMENT.

SECTION 8.8. Net Agreement. This Agreement shall be deemed and construed to be a "net agreement", and the Company shall during its term pay absolutely net the Loan Payments and all other payments required hereunder, free of any deductions, without abatement, deduction or setoff other than those herein expressly provided.

SECTION 8.9. No Warranty of the Project. The Issuer makes no express or implied warranty of any kind whatsoever with respect to the Project, including, but not limited to, the merchantability thereof or the fitness thereof for any particular purposes; the design or condition thereof; the workmanship, quality or capacity thereof; compliance thereof with the requirements of any law, rule, specification or contract pertaining thereto; patent infringement; latent defects; or that the proceeds derived from the sale of the Bonds will be sufficient to pay in full for same.

SECTION 8.10. State Bond Commission Reporting Requirements. The Company covenants that it shall furnish to the Issuer and Bond Counsel such information necessary to satisfy the reporting requirements of La. R.S. 39:1405.4, as may be amended from time to time. This information shall be delivered to the Issuer and Bond Counsel not less than five Business Days prior to the date such information is to be reported to the State Bond Commission.

SECTION 8.11. Representations Regarding the Project. The Company represents and warrants (i) that it has no present intention of allowing the disposal or abandonment of the Project nor of directing the Project to a use other than the purposes represented herein; (ii) that the Project is in furtherance of the public purposes of the Act; and (iii) that all necessary licenses and permits to acquire, construct, and operate the Project were obtained, and that the Project has been approved by all necessary governmental bodies or agencies having jurisdiction. Notwithstanding the foregoing, certain component parts of the Project may, from time to time be disposed of or abandoned as provided in Section 5.2 of this Agreement and subject to Section 8.12 of this Agreement.

SECTION 8.12 Tax Representations and Covenants. The Company hereby represents and covenants as follows:

- (a) Qualifying Costs. At least 95 percent of the Proceeds actually expended will be expended for Qualifying Costs.
- (b) Limit on Costs of Issuance. No portion of the Proceeds of the Bonds in excess of 2 percent of the Sale Proceeds of the Bonds, within the meaning of section 147(g) of the Code, will be expended to pay Issuance Costs with respect to the Bonds.
- (c) Limitation on Maturities. The term of the Bonds will not exceed 120 percent of the average reasonably expected economic life of the Project to be financed by the Bonds, weighted in proportion to the respective cost of each item comprising the Project, the cost of which has been or will be financed, directly or indirectly, with the Proceeds of the Bonds. For purposes of the preceding sentence, the reasonably expected economic life of property shall be determined as of the later of (i) the Issue Date for the Bonds or (ii) the date on which such property is placed in service (or expected to be placed in service). In addition, land shall not be taken into account in determining the reasonably expected economic life of property, except that, in the event 25 percent or more of the collective Net Proceeds of the Bonds, directly or indirectly, have been expended for land, such land shall be treated as having an economic life of 30 years and shall be taken into account for purposes of determining the reasonably expected economic life of such property.
- (d) Rebate. The Company agrees to take all steps necessary to compute and pay any rebatable arbitrage in accordance with section 148(f) of the Code and section 1.148-3 of the Regulations, including:
 - (i) Delivery of Documents and Money on Computation Dates. The Company shall deliver to the Trustee, within 45 days after each Computation Date,
 - (A) a statement, signed by an Authorized Representative of the Company, stating the Rebate Amount as of such Computation Date; and
 - (B) (1) if such Computation Date is not the Final Computation Date, an amount which, together with any amount then held for the credit of the Rebate Fund, is equal to at least 90 percent of the Rebate Amount in respect of such issue of Bonds as of such Computation Date, less the future value as of such date, of any prior payments made to the United States pursuant to section 148(f) of the Code in respect of the Bonds, and (2) if such Computation Date is the Final Computation Date, an amount which, together with any amount then held for the credit of the Rebate Fund in respect of the Bonds, is equal to the Rebate Amount as of such Final Computation Date, less the future value as of such date, of any prior payments made to the United States pursuant to section 148(f) of the Code in respect of the Bonds; and
 - (C) to the extent any Rebate Amount is due, an Internal Revenue Service Form 8038-T completed as of such Computation Date.
 - (ii) Correction of Underpayments. If the Trustee or the Company shall discover or be notified as of any date that any payment paid to the United States Treasury pursuant to Section 8.4 of the Indenture of an amount described in Section 8.12(d)(i) above

shall have failed to satisfy any requirement of section 1.148-3(f) of the Regulations (whether or not such failure shall be due to any default by the Company, the Issuer, or the Trustee), the Company shall (1) deliver to the Trustee a brief written explanation of such failure and any basis for concluding that such failure was innocent and (2) pay to the Trustee (for deposit to the Rebate Fund) and cause the Trustee to pay to the United States Treasury from the Rebate Fund the penalty in respect thereof and as specified in section 1.148-3(h) of the Regulations, within 45 days after any discovery or notice.

(iii) **Records.** The Company shall retain all of its accounting records relating to the Construction Fund, the Bond Fund and the Rebate Fund and all calculations made in preparing the statements described in this Section 8.12(d) for at least six years after the date on which no Bonds are outstanding.

(vi) **Investment of Rebate Fund.** In the event funds are deposited to the Rebate Fund, the Company shall give the Trustee written instructions as to the investment of such funds upon deposit of such funds.

(e) **Prohibited Facilities.** None of the Proceeds of the Bonds will be used to provide any health club facility, airplane, sky-box or other private luxury box, facility primarily used for gambling, or store the principal business of which is the sale of alcoholic beverages for consumption off premises.

(f) **Information Reporting Requirements.** The Company will provide the Issuer with the information required for it to comply with the information reporting requirements of section 149(e)(2) of the Code requiring certain information regarding the Bonds to be filed with the Internal Revenue Service within prescribed time limits.

(g) **"Federally Guaranteed" Obligations.** The Company covenants and agrees not to take any action, or knowingly omit to take any action within its control, that, if taken or omitted, respectively, would cause the Bonds to be "federally guaranteed" within the meaning of section 149(b) of the Code and applicable regulations thereunder, except as permitted by section 149(b)(3) of the Code and such regulations.

(h) **Bonds Are Not Hedge Bonds.** The Company covenants and agrees that none of the proceeds of the Bonds will be invested in Nonpurpose Investments having a substantially guaranteed Yield for four years or more within the meaning of section 149(g)(3)(A)(ii) of the Code, and the Company reasonably expects that all of the spendable proceeds of the Bonds will be used

to carry out the governmental purposes of the Bonds within the three-year period beginning on the Issue Date.

(i) Yield on Investment of Gross Proceeds. The Company will restrict the cumulative, blended Yield on the investment of the Gross Proceeds of the Bonds, to the Yield of the Bonds, other than amounts (i) not subject to yield restriction because of (A) the availability of any applicable temporary period under section 148(c) of the Code and section 1.148-2(e) of the Regulations, (B) their deposit in a reasonably required reserve or replacement fund described in section 148(d) of the Code and section 1.148-2(f)(2) of the Regulations or a bona fide Bond Fund described in section 1.148-1(b) of the Regulations (including the Bond Fund) or (C) the minor portion exception described in section 1.148-2(g) of the Regulations, or (ii) invested in obligations described in section 103(a) of the Code.

(j) No Arbitrage. The Company will not use or invest the Proceeds of the Bonds such that the Bonds become "arbitrage bonds" within the meaning of section 148 of the Code, and as evidence of this intent, a representative of the Company has reviewed the No-Arbitrage Certificate of the Issuer prepared in connection and delivered concurrently with the Bonds and the Company understands, and will take (or request the Trustee or the Issuer to take), the actions described therein.

(k) Acquisition of Land. Less than 25 percent of the Net Proceeds of the Bonds actually expended will be used, directly or indirectly, for the acquisition of land or an interest therein. Notwithstanding the immediately preceding sentence, no portion of the Net Proceeds of the Bonds will be used, directly or indirectly, for the acquisition of land or an interest therein to be used for farming purposes.

(l) Used Property. No portion of the Net Proceeds of the Bonds will be used for the acquisition of any existing property or an interest therein unless (i) the first use of such property is pursuant to such acquisition or (ii) the rehabilitation expenditures with respect to any building and equipment therefor equal or exceed 15 percent of the cost of acquiring such building financed with the proceeds of the Bonds (with respect to structures other than buildings, this clause shall be applied by substituting 100 percent for 15 percent). For purposes of the preceding sentence, the term "rehabilitation expenditures" shall have the meaning set forth in section 147(d)(3) of the Code.

(m) Modification of Requirements. If at any time during the term of this Agreement, the Issuer, the Trustee or the Company desires to take any action or omit to take any action that would otherwise be prohibited by the terms of this Section, such Person shall be permitted to take such action or omit to take such action if it shall first obtain and provide to the other Persons named herein an opinion of Bond Counsel to the effect that (i) such action or omission shall not adversely affect the exclusion from gross income for federal income tax purposes of interest on the Bonds and (ii) such action or omission otherwise is in compliance with the laws of the State and the terms of the Indenture and this Agreement.

The Company will not knowingly take any action, or knowingly omit to take any action, which action or omission will adversely affect the exclusion from gross income of the holders thereof for federal income tax purposes of interest on the Bonds (other than holders who are substantial users of the Project or related persons within the meaning of section 147 (a) of the Code), and in the event of such action or omission (whether taken with knowledge or not) will promptly, upon receiving knowledge thereof, take all lawful actions, based on advice of Bond Counsel and at the Company's expense, as may rescind or otherwise negate such action or omission.

SECTION 8.13. Financial Information. During such time, if ever, as no Credit Facility is in effect, and the Company does not file annual financial information with the United States Securities Exchange Commission, the Company, shall furnish to the Trustee and any owner, or any beneficial owner, of any Bond who shall have requested the same in writing, as soon as available and in any event within 150 days after the end of the fiscal year, financial statements for the Company for the immediately preceding fiscal year, audited by a nationally recognized accounting firm. The Trustee shall have no responsibility with respect to such financial statements except to make them available for reasonable examination by any owner of any Bond upon reasonable, prior written request.

ARTICLE IX

ASSIGNMENT

SECTION 9.1. Consolidation, Merger and Assignment by the Company. The Company shall not merge or consolidate with any other legal entity unless the successor entity (if other than the Company or an affiliate of the Company) (a) irrevocably and unconditionally assumes, in an instrument delivered to the Issuer and the Trustee, the due performance of the obligations of the Company under this Agreement and (b) is authorized to transact business in this State. The Company may, without the consent of the Issuer or the Trustee, transfer or assign this Agreement or transfer or assign all or a portion of the Project and any or all of its rights and delegate any or all of its duties hereunder to an entity either affiliated or unaffiliated with the Company, but no such transfer, assignment or delegation shall relieve the Company of its liability for the payment of the Loan Payments or for the payment of any other amounts to be paid by it under this Agreement or the Note and for the full observance and performance of all of the covenants and conditions to be observed and performed by it which are contained in this Agreement and the Note. The Company shall within fifteen days after the execution thereof, furnish to the Issuer and the Trustee appropriate documentation demonstrating that the surviving, resulting or transferee legal entity, as the case may be, is a domestic legal entity, is qualified to do business in the State, and has assumed in writing all of the obligations of the Company under this Agreement.

SECTION 9.2. Issuer's Rights of Assignment. The Issuer may, only in accordance with the Indenture, assign this Agreement, the Note and the security interest of the Issuer created hereby and pledge the moneys receivable hereunder to the Trustee as security for payment of the principal of and premium, if any, and interest on the Bonds and all amounts payable under the Indenture and the other Financing Documents. The Company hereby assents to such assignments and agrees that the Trustee may exercise and enforce in accordance with the Indenture any of the rights of the Issuer under this Agreement or the Note. Any such assignment, however, shall be subject to all of the rights and privileges of the Company as provided in this Agreement.

ARTICLE X

EVENTS OF DEFAULT AND REMEDIES

SECTION 10.1. Enumeration of "Events of Default". The terms "Event of Default" or "Default" shall mean, whenever they are used in this Agreement, any one or more of the following events:

- (a) Failure by the Company to pay when due in accordance with Section 4.1(a) and (b) of this Agreement the portion of the Loan Payments representing payment of the principal of and premium, if any, on the Bonds.
- (b) Failure by the Company to pay when due in accordance with Section 4.1(a) and (b) of this Agreement the portion of the Loan Payments representing payment of interest on the Bonds.
- (c) The occurrence of one or more of the events specified in subsections (d) and (e) of Section 11.1 of the Indenture.
- (d) The occurrence of a Company Event of Bankruptcy.
- (e) Default by the Company in the payment of any other amount required to be paid under this Agreement or in the performance or observance of any other of the covenants, agreements or conditions contained in this Agreement, or in the Bonds issued under the Indenture, and continuance thereof for a period of ninety (90) days after written notice specifying such failure and requesting that it be remedied shall have been given to the Company by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the holders of not less than twenty-five percent (25%) in principal amount of the Bonds then outstanding, unless the Trustee, or the Trustee and holders of a principal amount of Bonds not less than the principal amount of Bonds the holders of which requested such notice, as the case may be, shall agree in writing to an extension of such period prior to its expiration; provided, however, that the Trustee, or the Trustee and the holders of such principal amount of Bonds, as the case may be, shall be deemed to have agreed to an extension of such period if corrective action is instituted by the Company within such period and is being diligently pursued.

SECTION 10.2. Remedies. Upon any acceleration of the principal of the Bonds under the Indenture, all Loan Payments shall be immediately due and payable under this Agreement and the maturity of the Note shall be accelerated. In addition, whenever any Event of Default referred to in Section 10.1 shall have occurred and be continuing, the Trustee, or the Issuer with the prior written consent of the Trustee, may take any action at law or in equity to collect amounts then due and thereafter to become due, or to enforce performance and observance of any obligation, agreement or covenant of the Company under this Agreement. Any amounts collected pursuant to action taken under this Section 10.2 shall be applied in accordance with the provisions of the Indenture.

Neither the Trustee nor the Issuer may declare all unpaid Loan Payments immediately due because of a failure by the Company to observe or perform any covenant, condition or agreement contained in Section 8.1 of this Agreement. However, the exception of the preceding sentence shall not otherwise preclude the Issuer from enforcing, with or without the consent of the Trustee, or the Trustee from enforcing the observance and performance of the covenants, conditions and agreements contained in such Section.

A waiver by the Trustee of any Events of Default as that term is defined in the Indenture, in accordance with the terms and provisions of the Indenture, or any annulment of or acceleration of the due date of the principal of the Bonds, shall also constitute a waiver of the corresponding Event of Default and its consequences hereunder or annulment of any acceleration of principal hereunder, without further action on the part of the Trustee.

SECTION 10.3. No Remedy Exclusive. No remedy conferred upon or reserved to the Issuer or the Trustee by this Agreement is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given under this Agreement or now or hereafter existing at law or in equity or by statute. No delay or omission to exercise any right or power accruing hereunder shall impair any such right or power or shall be construed to be a waiver thereof, nor shall any single or partial exercise of any other right, power or privilege, but every such right and power may be exercised from time to time and as often as may be deemed expedient. In order to entitle the Trustee to exercise any remedy reserved to it in this Article, it shall not be necessary to give any notice other than such notices as may be herein expressly required.

SECTION 10.4. Agreement to Pay Attorneys' Fees and Expenses. In the event the Company should default under any of the provisions of this Agreement and the Issuer or the Trustee should employ attorneys or incur other expenses for the collection of the payments due under this Agreement or the enforcement of performance or observance of any obligation or agreement on the part of the Company herein contained, the Company agrees that it will on demand therefor, and upon presentation of an itemized bill, pay to the Issuer or the Trustee the reasonable fees and expenses of such attorneys and such other expenses so incurred by the Issuer or the Trustee.

ARTICLE XI

GENERAL

SECTION 11.1. Force Majeure. If by reason of force majeure either the Issuer or the Company shall be rendered unable wholly or in part to carry out its obligations under this Agreement, and if such party gives notice and full particulars of such force majeure in writing to the other party within a reasonable time after failure to carry out its obligations under this Agreement, such obligations (other than the obligations of the Company specified in the last sentence of this Section 11.1) of the party giving such notice, so far as they are affected by such force majeure, shall be suspended during the continuance of the inability then claimed, including a reasonable time for removal of the effect thereof. The term "force majeure" shall mean acts of God, strikes, lockouts or other industrial disturbances, acts of the public enemy, orders of any kind of the Government of the United States, or of any state thereof, or any civil or military authority, insurrections, riots, epidemics, landslides, lightning, earthquakes, fires, hurricanes, tornadoes, storms, floods, washouts, droughts, arrests, restraining of government and people, civil disturbances, explosions, breakage or accidents to machinery, transmission pipes or canals, partial or entire failure of utilities, shortages of labor, material, supplies or transportation, or any other cause not reasonably within the control of the party claiming such inability. The requirement that any force majeure shall be reasonably beyond the control of the party shall be deemed to be fulfilled even though the existing or impending strike, lockout or other industrial disturbance may not be settled but could have been settled by acceding to the demand of the opposing Person or Persons. The occurrence of any event of force majeure shall not suspend or otherwise abate, and the Company shall not be relieved from, the obligation to pay the Loan Payments and to pay any other payments required to be made by it under this Agreement at the times required.

SECTION 11.2. Waiver of Rights. Failure by the Issuer, the Company or the Trustee to insist upon the strict performance of any of the covenants and agreements contained in this Agreement or to exercise any rights or remedies upon default shall not be considered a waiver or relinquishment of the right to insist upon and to enforce by any appropriate legal remedy strict compliance by the defaulting party with all of the covenants and conditions binding on it, or of the right to exercise any such rights or remedies if such default be continued or repeated.

SECTION 11.3. Notices. Unless otherwise provided hereunder or in the Agreement, all notices, certificates or other communications (a "Communication") hereunder to be given by any of the following parties to any of the other following parties shall be deemed to have been sufficiently given and received by such parties only upon actual receipt thereof and if sent by registered mail, by Electronic notice, by overnight courier (signature required), telephone, confirmed in writing, to the relevant party as follows:

or, in each case, at such other address or facsimile number as may have been designated most recently in writing by the addressee to the addressor; provided, however, that in order to be considered duly made, a duplicate copy of any Communication to the Issuer, the Company or the Trustee shall be sent at the same time and in like manner to each of the others.

Whenever this Agreement provides for the delivery by the Issuer of a Communication, the person receiving the same shall be entitled to rely and act upon such Communication if it is signed by the Chairman, Vice Chairman or the Secretary-Treasurer or an Assistant Secretary of the Issuer, or any other authorized officer of the Issuer. Whenever this Agreement provides for the delivery by the Company of any Communication, the Person receiving such Communication shall be entitled to rely and act upon such Communication if it is signed by the President, Chief Financial Officer or Treasurer of the Company, or any other duly authorized officer of the Company.

The Trustee is authorized to accept and act upon instructions or directions pursuant to the Financing Documents sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods, provided, however, that (i) the Company, subsequent to such transmission of written instructions, shall provide the originally executed instructions or directions to the Trustee in a timely manner, (ii) such originally executed instructions or directions shall be signed by a person as may be designated and authorized to sign for the Company or in the name of the Company, by an authorized representative of the Company, and (iii) the Company shall provide to the Trustee an incumbency certificate listing such designated persons, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the Company elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method) and the Trustee in its discretion elects to act upon such instructions, the Trustee's understanding of such instructions shall be deemed controlling. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with

such instructions notwithstanding such instructions conflict or are inconsistent with a subsequent written instruction.

SECTION 11.4. Counterparts, Amendments, Governing Law, Etc. This Agreement (a) may be executed in several counterparts, each of which shall be deemed an original, and all of which shall constitute one and the same instrument; (b) except as provided in this Agreement or in the Indenture, may be modified or amended only by an instrument in writing signed by the duly authorized representatives of all parties (or their respective successors or assigns) and, so long as any Bonds are outstanding, only with the consent of the Trustee given in accordance with the applicable provisions of the Indenture; and (c) shall be governed, in all respects including validity, interpretation and effect by, and shall be enforceable in accordance with, the law of the State. The parties agree that, in accordance with the Act, they will appropriately amend this Agreement to increase the payments to be made by the Company hereunder if for any reason such payments, if made, are not sufficient to pay the principal of and interest and premium, if any, on the Bonds as the same become due but, in no event shall the Company be obligated to pay interest on the principal amount of the Loan in excess of the maximum amount allowed by law.

The Section and other headings contained in this Agreement are for reference purposes only and shall not control or affect its interpretation in any respect. In the event that any clause or provision of this Agreement shall be held to be invalid by any court of competent jurisdiction, the invalidity of such clause or provision shall not affect any of the remaining provisions hereof.

SECTION 11.5. Term of Agreement. Except as provided in Article VII of this Agreement, this Agreement shall remain in full force and effect from the date of execution and delivery hereof until the Indenture has been discharged in accordance with the provisions thereof; provided, however, that the provisions of Sections 8.1, 8.5, and the last paragraph of Section 7.1 of this Agreement shall survive any expiration or termination of this Agreement.

SECTION 11.6. Company's Approval of Indenture. The Indenture has been submitted to the Company for examination, and the Company acknowledges that, by execution of this Agreement, it has approved the Indenture.

IN WITNESS WHEREOF, the Issuer and the Company have caused this Agreement to be signed in their behalf by their duly authorized representatives as of the date set forth above.
