Form S-1 filed on August 9, 2021

Capitalization, page 76

1. We note that you are offering 20,000,000 shares of common stock as part of your initial public offering of units, but only show 18,883,663 shares subject to possible redemption in your Capitalization table. Please tell us how you considered the guidance in ASC 480-10-S99-3A, which requires securities that are redeemable for cash or other assets to be classified outside of permanent equity if they are redeemable (1) at a fixed or determinable price on a fixed or determinable date, (2) at the option of the holder, or (3) upon the occurrence of an event that is not solely within the control of the issuer, in concluding that all 20,000,000 shares were not required to be presented outside of permanent equity and part of shares subject to possible redemption.
