Tawn Miller
Real Estate Broker at Kenna Real Estate
September 9, 2019, Dr. Sean worked with Tawn in the same group

Sean is a very driven, focused and ambitious person. He has continued to exceed my expectations with his forward thinking and his ability to adapt to situations with any available resources. If you're looking for a true strategist with the drive to make changes happen, I highly recommend starting your search here!

Kenneth Faria
Process Engineer - Drug Substance Technology at Bristol-Myers Squibb
September 3, 2019, Dr. Sean worked with Kenneth in the same group

Sean and I worked closely together in the United States Air Force for many years, partly with Sean as my first-level supervisor. During my time working with Sean, I have seen him grow in both technical and leadership skills. His ability to remain calm and provide relevantly focused direction in challenging situations...
