Report of Independent Registered Public Accounting Firm

To the Members of Strong Capital Markets, LLC

Opinion on the Financial Statement

We have audited the accompanying statement of financial condition of Strong Capital Markets, LLC as of December 31, 2022, and the related notes (collectively referred to as the financial statement). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of Strong Capital Markets, LLC as of December 31, 2022 in conformity with accounting principles generally accepted in the United States of America.

Basis for Opinion

This financial statement is the responsibility of Strong Capital Markets, LLC's management. Our responsibility is to express an opinion on Strong Capital Markets, LLC's financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to Strong Capital Markets, LLC in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

We have served as Strong Capital Markets, LLC's auditor since 2022.

STRONG CAPITAL MARKETS, LLC
NOTES TO THE FINANCIAL STATEMENT
FOR THE PERIOD MARCH 2, 2022 (COMMENCEMENT OF OPERATIONS) THROUGH
DECEMBER 31, 2022

1. ORGANIZATION AND DESCRIPTION OF BUSINESS

Strong Capital Markets, LLC (the "Company") is wholly-owned by Strong Capital Holdings Company, LLC (the "Member"). The Company was organized on March 2, 2021 as a Delaware limited liability company and is registered to do business in Connecticut as a foreign limited liability company. The Company is a registered broker-dealer under the Securities Exchange Act of 1934 and is a member of both the Financial Industry Regulatory Authority, Inc. ("FINRA") and the Securities Investors Protection Corporation ("SIPC") as of March 2, 2022. The operating agreement provides for the limited liability company to exist in perpetuity. The member's limit on liability is based on the relevant state law. The Company renders financial advisory services to selected clients with respect to capital raising, private placements, business restructurings and other financial services.

The Firm does not claim an exemption from SEA Rule 15c3-3, in reliance on footnote 74 to SEC Release 34-70073, and as discussed in Q&A 8 of the related FAQ issued by SEC staff. The Firm has represented that it does not and will not, (1) directly or indirectly receive, hold, or otherwise owe funds or securities for or to customers, (2) does not and will not carry accounts of or for customers and (3) does not and will not carry PAB accounts. The firm's business activities are, and will remain as described below.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of presentation

The accompanying financial statements of the Company have been prepared in accordance with accounting principles generally accepted in the United States of America ("U.S. GAAP").

Use of estimates

The preparation of financial statements in conformity with U.S. GAAP, requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

Revenue recognition

In accordance with ASU No. 2014-09, "Revenue from Contracts with Customers" ("ASC Topic 606") revenues from contracts with customers is recognized when, or as, the Company satisfies its performance obligations by transferring the promised services to the customers. A service is transferred to a customer when, or as, the customer obtains control of that service. A performance obligation may be satisfied at a point in time or over time. Revenue from a performance obligation satisfied at a point in time is recognized at the point in time that the Company determines the customer obtains control over the promised service. Revenue from a performance obligation satisfied over time is recognized by measuring the Company's progress in satisfying the performance obligation in a manner that depicts the transfer of the services to the customer.

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Revenue recognition *(continued)*

The amount of revenue recognized reflects the consideration the Company expects to receive in exchange for those promised services (i.e., the “transaction price”). In determining the transaction price, the Company considers multiple factors, including the effects of variable consideration, if any.

Revenue from investment banking advisory services is recognized when the services are rendered and related expenses are recorded when incurred. Deal fees are recorded when earned and related expenses are recorded when incurred. Investment banking revenues consist of advisory services/corporate finance activities including mergers and acquisitions, reorganizations, tender offers, leveraged buyouts and fundraising activities. These investment banking revenues are received based on contractual terms.

The Company's engagement agreements contain nonrefundable retainer fees ("retainer fees") which are due and payable pursuant to the terms of the agreement and/or success fees, which may be fixed or represent a percentage of value that the customer received when the corporate finance activity is completed ("success fees"). The retainer fees or other milestone fees may reduce any success fee subsequently invoiced and received upon the completion of the corporate finance activity. The Company has evaluated its nonrefundable retainer payments to ensure its fee related to the transfer of a good or service, as a distinct performance obligation, in exchange for the retainer. If a promised good or service is not distinct, the Company combines that good or service with the other promised goods or services until it identifies a bundle of goods or services that is distinct. In some cases, that would result in the broker-dealer accounting for all the services promised in a contract as a single performance obligation and the retainer revenue is classified as deferred revenue on the Statement of Financial Condition. As of December 31, 2022, there was no retainer revenue classified as deferred revenue.

Accounts Receivable

Accounts receivable, which generally represent unsecured customer obligations due under normal trade terms generally requiring payment within 30 days from the invoice date, are stated at the amount billed to the customer. Interest is not charged for receivables unpaid after the expiration of normal terms. Customer account balances with invoices over 90 days old are considered to be delinquent. As of December 31, 2022, the Company had \$8,376 of receivables from contracts with customers.

Credit Losses

ASC 326, Financial Instruments – Credit Losses (“ASC 326”) impacts the impairment model for certain financial assets by requiring a current expected credit loss (“CECL”) methodology to estimate expected credit losses over the entire life of the financial asset. Under ASC 326, the Company has the ability to determine that there are no expected credit losses in certain circumstances (e.g., based on the credit quality of the customer).

2. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES *(continued)*

Income taxes

As a wholly-owned limited liability company, the Company is considered to be a disregarded entity for tax reporting purposes and is thus not subject to Federal, state or local income taxes and does not file income tax returns in any jurisdiction. All items of income, expense, gains and losses are reportable by the Member for tax purposes. The Company has no unrecognized tax benefits at December 31, 2022.

Uncertain tax positions

The Company applies the provisions of ASC 740, "Income Taxes", as they relate to uncertain tax positions. The Company was not required to recognize any amounts from uncertain tax positions at December 31, 2022.

The Company's conclusions regarding uncertain tax positions may be subject to review and adjustment at a later date based upon ongoing analyses of tax laws, regulations and interpretations thereof as well as other factors. In the event that tax authorities assess interest and penalties on unrecognized tax benefits, the Company will reflect such amounts in tax expense and income taxes payable.

Leases

In accordance with ASC 842, Leases ("ASC 842"), the Company accounts for its existing operating lease as an operating lease using the practical expedients permitted under ASC Topic 842. The Company defines a short-term lease as a lease that, at the commencement date, has a lease term of 12 months or less and does not contain an option to purchase the underlying asset that the lease is reasonably certain to exercise. The Company elected to recognize short-term lease payments as an expense on a straight-line basis over the lease term. Related variable lease payments are recognized in the period in which the obligation is incurred. The Company's lease obligations are deemed to be short term.

3. CONCENTRATION OF CREDIT RISK

The Company's cash deposits are held by one financial institution and therefore, are subject to credit risk to the extent those balances exceeded the Federal Deposit Insurance Corporation ("FDIC") insurance limit of \$250,000. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash.

As of December 31, 2022, four customers accounted for 82% of total revenues.

FOR THE PERIOD MARCH 2, 2022 (COMMENCEMENT OF OPERATIONS) THROUGH
DECEMBER 31, 2022

4. NET CAPITAL REQUIREMENTS

The Company is subject to the uniform net capital requirements of Rule 15c3-1 ("The Rule") of the Securities and Exchange Act, as amended, which requires the Company to maintain, at all times, sufficient liquid assets to cover indebtedness. In accordance with the Rule, the Company is required to maintain defined minimum net capital of the greater of \$5,000 or 12 1/2% of aggregate indebtedness.

At December 31, 2022, the Company had net capital, as defined, of \$45,395, which exceeded the required minimum net capital of \$5,000 by \$40,395. Aggregate indebtedness at December 31, 2022 totaled \$9,945. The Company's percentage of aggregate indebtedness to net capital was 21.91%.

It is the intention of the member to continue to support and operate the Company for the twelve-month period from the date that these financial statements are issued and contribute the necessary capital to maintain the operations, fund its ongoing expenses and meet the net capital requirements of the SEC's Uniform Net Capital Rule.

5. SUBSEQUENT EVENTS

Management of the Company has evaluated events and transactions that have occurred through March 27, 2023, the date these financial statements were available to be issued and determined that there are no material events that would require disclosures in the Company's financial statements.
