FOR
THE DRIVERS COOPERATIVE, INC.**

Amount: \$[AMOUNT]

Made as of: [EFFECTIVE DATE]

Final Payment Date: 10 years from above date

For value received, **The Drivers Cooperative, Inc.**, a New York Worker Cooperative (“*Cooperative*”) together with its permitted successors and assigns), with principal offices at 31-00 47th Ave #303, Long Island City, NY 11101, hereby promises to pay to [ENTITY NAME] (“*Holder*”) (together with its permitted successors and assigns), with a principal address at the address set forth in the space provided next to the undersigned (collectively, the “parties”) the principal sum of \$[AMOUNT] (the “*Principal Amount*”), or such lesser amount as will then equal the outstanding principal amount hereunder, together with additional payments as provided below from the date of this Revenue-Share Note and until all principal has been repaid. All payments will be made at the principal offices of the Holder or by mail to the address of the Holder of this Revenue-Share Note in lawful money of the United States.

The following is a statement of the rights of Holder and the conditions to which this Revenue-Share Note is subject, and to which Holder hereof, by the acceptance of this Note, agrees:

1. Definitions. The following definitions will apply for all purposes of this Note:

1.1 “*Revenue-Share Agreement*” means this Unsecured and Subordinated Promissory Note that requires payments based upon a certain percentage of Cooperative revenue as defined herein.

1.2 “*Notes*” means a series of unsecured and subordinated promissory notes in the aggregate principal amount of up to \$2,600,000, each such note containing substantially identical terms and conditions as this Note.

2. **Subscription Agreements.** This Note is issued pursuant to a Subscription Agreement (the “*Subscription Agreement*”), by and between Cooperative and the original holder of this Note and is subject to the provisions thereof. Any capitalized terms used herein, but not defined herein, will have the meanings ascribed to them in the Subscription Agreement.

3. Payments. The Note pays a target return on investment called the Revenue Share Percentage on a pro rata basis as further defined herein. Payments shall occur in accordance with the two-tiered schedule further described below in paragraph G. Payment calculations or Subscriber's share of Cooperative's Revenue Share Percentage will be calculated on a pro rata basis in the following manner:

- A. For first \$600,000 of investment ("Early Bird" terms): $(\text{Benchmark Revenue}) \times 2.5\% \times (\text{Subscriber's Investment} / \text{Total Principal Amount})$ up to a 2.5X cap, as defined in the Revenue-Share Agreement and Subscription Agreement.
- B. For all other investments after the first \$600,000 investment: $(\text{Benchmark Revenue}) \times 2\% \times (\text{Subscriber's Investment} / \text{Total Principal Amount})$ up to a 2X cap, as defined in the Revenue-Share Agreement and Subscription Agreement.
- C. This "Revenue Share Percentage" will be applied to the balance of this Note during each calendar quarter;
- D. The Payments are set to be made quarterly of each calendar year and will be adjusted up or down, as necessary, such that the target total amount paid to Subscriber under this Note for the full calendar year is two and half times the original Note); and
- E. The "Benchmark Revenue" means the Cooperative's gross revenues for the applicable period from all sources, less any "Permissible Offsets," defined herein, driver-member payouts, sales taxes, Black Car Fund fees, regulatory surcharges (e.g., congestion surcharge, airport fees), geospatial API charges, and credit card payment processing fees, all as calculated according to generally accepted accounting principles in the U.S.
- F. "Permissible Offsets" include (1) loans and other forms of indebtedness from commercial lenders and other creditors, (2) grants from philanthropic organizations, individuals, or public sources; (3) proceeds from insurance claims; (4) awards from litigation settlements; and (5) reserves.
- G. The date for the first quarterly payments for investment under Early Bird terms is April 30, 2025. The date for payments on investments after the Early Bird terms the subsequent \$2,000,000 in investment is set to be 30 days from the end of the quarter that falls thirty-six (36) months from the closing of the total offering.
- H. Cash payments will not be accepted. Payments shall begin accruing upon the date of the First Payment and shall end on the Final Payment Date. The entire

outstanding principal balance of this Note, together with all accrued and unpaid payments, shall be due and payable in full at the Final Payment Date (or “Maturity Date”).

4. **Final Payment Date.** The Note, together with any outstanding principal and accrued but unpaid payments, will be due and payable within ten (10) years from the closing of the total offering (“Final Payment Date or Maturity Date”).

5. **Prepayment.** Prepayment of unpaid principal and/or payments due under this Note may be made at any time without penalty. Unless otherwise agreed in writing by Holder, all payments will be made in lawful tender of the United States and will be applied (a) first, to the payment of accrued payments, and (b) second, (to the extent that the amount of the prepayment exceeds the amount of all accrued payments), to the payment of principal.

6. **Unsecured and Subordinated.** Holder agrees that the Note shall be subordinate in rights of payment and priority to all current and future indebtedness to banks, commercial finance lenders, insurance companies, leasing and equipment financing institutions, and/or other institutions regularly engaged in the business of lending money.

7. **Default.**

7.1 **Events of Default.** Cooperative will be deemed to be in default under this Note and the outstanding unpaid principal balance of this Note, together with all payments accrued thereon, will immediately become due and payable in full, without the need for any further action on the part of Holder, upon the occurrence of any of the following events (each an “*Event of Default*”): (a) upon Cooperative’s failure to make any payment when due under this Note for a period of ninety (90) days; (b) upon the filing by or against Cooperative of any voluntary or involuntary petition in bankruptcy or any petition for relief under the federal bankruptcy code or any other state or federal law for the relief of debtors, *provided, however*, with respect to an involuntary petition in bankruptcy, the petition has not been dismissed within thirty (30) days after the filing of the petition; (c) upon the execution by Cooperative of an assignment for the benefit of creditors or the appointment of a receiver, custodian, trustee or similar party to take possession of Cooperative’s assets or property; or (d) upon any breach, default or violation by Cooperative of any term, condition, obligation, representation or covenant of the Security Agreements, and such breach shall continue for ten (10) business days after the Cooperative’s receipt of written notice from the Holder of such breach or default.

7.2 **Remedies On Default; Acceleration.** Upon any Event of Default, the Note, including the outstanding principal and accrued payments, shall automatically become immediately due and payable in full, without presentment, demand, protest, or any other notice of any kind, all of which are hereby expressly waived, anything contained herein to the contrary notwithstanding. In addition to the foregoing remedies, upon the occurrence and during the continuance of any

Event of Default, Investor may exercise any other right power or remedy permitted to it by law, either by suit in equity or by action at law, or both. Any payments, proceeds or recoveries received by Holder upon an Event of Default will be shared pro rata between the holders of all the Notes, according to the remaining outstanding principal amount of such Notes at the time of the Event of Default.

7.3. Notes are Pari Passu. The Notes issued pursuant to the Subscription Agreements will rank equally without preference or priority of any kind over one another, and all payments on account of principal and payments with respect to any of the Notes will be applied ratably and proportionately on all outstanding Notes on the basis of the original principal amount of outstanding Notes.

8. General Provisions.

8.1 Waivers. The Cooperative and all endorsers of this Note hereby waives notice of default, presentment, or demand for payment, protest, or notice of nonpayment or dishonor and all other notices or demands relative to this instrument.

8.2 Transfer. Neither this Note nor any rights hereunder may be assigned, conveyed or transferred, in whole or in part, without Cooperative's prior written consent, which Cooperative may withhold in its sole discretion, or as otherwise expressly provided in the Subscription Agreement. The rights and obligations of Cooperative and the Holder under this Note and the Subscription Agreement will be binding upon and benefit their respective permitted successors, assigns, heirs, administrators and transferees.

8.3 Usury. In the event any payment is paid on this Note which is deemed to be in excess of the then legal maximum rate, then that portion of the payments representing an amount in excess of the then legal maximum rate shall be deemed a payment of principal and applied against the principal of this Note.

8.4 Governing Law. This Note will be governed by and construed under the internal laws of the State of New York as applied to agreements among New York residents entered into and to be performed entirely within New York, without reference to principles of conflict of laws or choice of laws.

8.5 Headings. The headings and captions used in this Note are used only for convenience and are not to be considered in construing or interpreting this Note.

8.6 Notices. All notices or other communications given or made hereunder shall be in writing and shall be delivered or mailed by registered or certified mail, return receipt requested, postage prepaid, to the Cooperative at its registered head office address and to the undersigned set forth on the signature page hereof.

8.7 **Amendments.** Any term of this Note may be amended, and the observance of any term of this Note may be waived (either generally or in a particular instance and either retroactively or prospectively) only with the written consent of Cooperative and Holder, and through an amendment and filing of a Form C/A with the Securities Exchange Commission (SEC). The Holder understands that if the material change occurs during the offering period, then they must reconfirm their commitment within five (5) business days of the amendment in order to accept these changes. Otherwise, the Holder's commitment will be considered cancelled under the Securities Laws. Any amendment effected in accordance with this section will be binding upon each holder of any Notes at the time outstanding, each future holder of the Notes, and Cooperative.

8.8 **Severability.** If one or more provisions of this Note are held to be unenforceable under applicable law, such provision(s) will be excluded from this Note and the balance of the Note will be interpreted as if such provision(s) were so excluded and will be enforceable in accordance with its terms.

8.9 **Subscription Agreement.** This Note incorporates by reference all the terms of the Subscription Agreement.

WHEREAS the Note shall have a term of ten (10) years ("Final Payment Date or Maturity Date");

WHEREAS the Subscriber hereby acknowledges that the Cooperative is relying upon the accuracy and completeness of the representations in this Agreement in complying with its obligations under applicable federal and state securities laws;

WHEREAS the Subscriber hereby acknowledges agrees that the execution of this Agreement constitutes Subscriber's consent to become a Subscriber of the Cooperative, and that upon the Cooperative's acceptance of this subscription, the Subscriber shall become a Subscriber of the Company upon the signing of the **Note**, attached hereto as **Exhibit A**.

WHEREAS the Subscriber hereby acknowledges and certifies that the Subscriber received and read the offering disclosures and all exhibits thereto of the Company (the "**Form C**"), and the Subscriber is familiar with the terms and provisions thereof;

WHEREAS the Subscriber acknowledges and understands that the Note is being offered pursuant to Regulation Crowdfunding (17 CFR 227.100 through 227.503) of Section 4(a)(6) of the U.S. Securities Act of 1933 (15 U.S.C. 77d(a)(6)) and the applicable rules thereunder (the "Securities Laws");

NOW THEREFORE, for the reasons set forth above, and in consideration of the foregoing and of the mutual promises and covenants of the Cooperative and Subscriber

contained herein, and for other good and valuable consideration, the receipt of which is hereby acknowledged, the Cooperative and the Subscriber agree as follows:

1. Subscription.
 - 1.1. In order to purchase the Note, the Subscriber must complete and sign this Agreement and return it to the Cooperative along with payment of the amount to be invested. If you are completing the Agreement electronically, follow the applicable online instructions on WeFunder.
 - 1.2. Minimum Subscription Amount. The minimum subscription amount is \$100.
 - 1.3. Principal and Payments. Refer to the Note which is incorporated herein.
 - 1.4. Unsecured and Subordinate. The Notes are unsecured and subordinate to current and future obligations and indebtedness of Cooperative.
 - 1.5. Prepayment. Prepayment of unpaid principal and/or payments due under this Note may be made at any time without penalty. Unless otherwise agreed in writing by Subscriber, all payments will be made in lawful tender of the United States and will be applied (a) first, to the payment of accrued payments, and (b) second, (to the extent that the amount of such prepayment exceeds the amount of all such accrued payments), to the payment of principal.
 - 1.6. Right of First Refusal.
 - 1.6.1. Cooperative shall have a right of first refusal (“ROFR”) to purchase any of the Notes that any Subscriber proposes to sell, transfer, gift, pledge, assign, distribute, encumber or otherwise dispose of to a third party, except for transfers which are part of an inheritance. Cooperative’s ROFR will be assignable by the Cooperative to any other Subscriber.
 - 1.6.2. The Subscriber shall also have the ROFR to purchase a future round of securities offered through Regulation Crowdfunding at the discretion of the Cooperative before any third-parties. Any future round of securities is speculative, not guaranteed, and may only be exercised at the option and sole discretion of the Cooperative.
 - 1.7. Transfer Restrictions. Save for the ROFR described above, the Subscriber understands that the resale or transfer of the Note is restricted and the Subscriber will not, directly or indirectly, offer, sell, pledge, transfer, or otherwise dispose of (or solicit any offers to buy, purchase, or otherwise acquire or take a pledge of) any part of the Note except in compliance with this Agreement, any applicable state and federal securities laws, and the respective rules and regulations

promulgated thereunder. Prior to any proposed sale, assignment, transfer or pledge of the Note, the Subscriber agrees that it shall provide written notice to the Cooperative of the Subscriber's intent of such transfer, sale, assignment or pledge. Each notice shall provide detail of circumstances of the proposed transfer, sale, assignment or pledge, and shall be accompanied, at the Subscriber's expense, by evidence that is satisfactory to the Cooperative, to the effect that the proposed transfer of the Note may be effected without registration under the Act or applicable state securities law.

- 1.8. No Market for Resale. Subscriber understands that the Cooperative is not currently a reporting issuer in the United States, and there is no assurance that it will ever be a reporting issuer in the United States. As a result, the restrictions on resale of the Note may be indefinite for Subscribers. As there is no market for the Notes, it may be difficult or even impossible for a Subscriber to resell them. If Subscriber does resell, it is the Subscriber's responsibility to ensure that all forms required by the applicable securities laws are filed as required upon disposition of the Note by Subscriber.
- 1.9. Cooperative's Right to Accept or Reject Subscriptions. The Cooperative may accept or reject any subscription, in whole or in part. This means that the Cooperative may sell to Subscriber a Note valued lower than what Subscriber subscribes to purchase or may decline to sell a Note to Subscriber at all. If the Cooperative accepts Subscriber's subscription, in whole or in part, this Agreement will constitute an irrevocable commitment by the Subscriber to purchase the Note, and a copy of this Agreement will be executed by the Cooperative and returned to Subscriber. If the Cooperative rejects Subscriber's subscription in whole or in part, the Cooperative will return the payment tendered for any unissued portion of the subscription submitted prior to the execution of this Agreement by the Cooperative.

2. Representations, Warranties, and Acknowledgements.

- 2.1. The Subscriber represents and warrants to the Cooperative, and acknowledges that the Cooperative is relying on these representations and warranties to, among other things, ensure that it is complying with all of the applicable securities laws, that:
 - i. The Subscriber has the requisite knowledge to assess the relative merits and risks of this investment, or has relied upon the advice of Subscriber's professional advisors with regard to an investment in the Cooperative. The Subscriber represents and warrants that he/she/it is aware of the degree of risk associated with the purchase of the Note of the Cooperative and has determined that the purchase of the Note is a suitable investment;

ii. The Subscriber is fully aware and understands that at any time the Cooperative may operate at a loss rather than a profit, and may do so for an unforeseeable amount of time;

iv. The Subscriber hereby confirms that he/she/they has reviewed or had the opportunity to review the financial statements and other financial information related to the investment within the Cooperative;

v. The Subscriber is fully aware and understands that the aggregate amount sold by the Cooperative to the Subscriber for a period of twelve (12) months does not exceed (i) the greater of \$2,500 or five percent (5%) of the greater of the annual income or net worth of such Subscriber, if either the annual income or net worth of the investor is less than \$124,000, as verified by a regulated crowdfunding portal; or (2) ten percent (10%) of the greater of the annual income or net worth of such Subscriber, not to exceed a maximum aggregate amount of \$124,000, if either the annual income or net worth of the Subscriber is equal to or more than \$124,000, as verified by a regulated crowdfunding portal.

vi. Accredited-Investor Status. If the Subscriber is an accredited investor, as that is defined under Rule 501(a) of Regulation D promulgated under the Securities Act of 1933, as amended, the Subscriber represents, warrants, and must verify this status through the regulated crowdfunding portal WeFunder. An accredited investor is defined as:

- (a) Any natural person who had an individual income in excess of \$200,000 in each of the two most recent years or joint income with that person's spouse (or spousal equivalent) in excess of \$300,000 in each of those years, and who has a reasonable expectation of reaching the same income level in the current year;

- (i) Any entity in which all of the equity owners are “accredited investors.”

vii. The Subscriber represents that the offer to sell the Note was communicated to the Subscriber by the Cooperative in such a manner that the Subscriber was able to ask questions and receive answers from the Cooperative concerning the terms and conditions of this transaction;

viii. The Subscriber acknowledges that the Note for which the Subscriber hereby subscribes are being acquired solely for the Subscribers own account, for investment purposes, and not for the account of others. Subscriber represents that they are not a party to, and does not presently intend to enter into, any contract or arrangement with any other person or entity involving the resale, transfer, grant of participation with respect to or other distribution of the Note;

ix. Subscriber acknowledges that any notice of issuance of the Note will be imprinted with the following legends that limit its transfer:

The Unsecured and Subordinated Note of the Cooperative (“Note”) has not been registered under the United States Securities Act of 1933, as amended, (the “1933 Act”), and the Cooperative has no obligation to register the Note under the 1933 Act in the future. Offers and sales of the Note is issued pursuant to Regulation Crowdfunding (Reg CF) of Section 4(a)(6) of the U.S. Securities Act of 1933 and may not be transferred by the Subscriber for a period of one (1) year from the date of purchase, unless such securities are being transferred (1) to the Cooperative, (2) to an accredited investor, (3) to a member of Subscriber’s family, or in connection with the death or divorce of Subscriber, (4) as part of an offering registered with the U.S. Securities Exchange Commission, or (5) in furtherance of other conditions imposed by the U.S. Securities Exchange Commission from time to time. Notwithstanding the foregoing, the Subscriber is required to hold the Note for a period of at least three (3) years as further stipulated within this Subscription Agreement.

x. Subscriber acknowledges that, to ensure compliance with the restrictions set forth herein, the Cooperative may issue appropriate “stop transfer” instructions

to its transfer agent, if any, and that, if the Cooperative transfers its own securities, it may make appropriate notations to the same effect in its own records. In addition, the Cooperative shall not be required (x) to transfer on its books or capitalization table any part of any Note that has been sold or otherwise transferred in violation of any of the provisions of this Agreement or (y) to treat such transferee as Subscriber of such Note.

xi. The Subscriber understands that nothing in this Agreement or any other materials presented to the Subscriber in connection with the purchase and sale of the Note constitutes legal, tax, or investment advice. The Cooperative has suggested that the Subscriber consults with such legal, tax, and investment advisors as Subscriber, in its sole discretion, deems necessary or appropriate in connection with its purchase of Note.

xii. Both the Cooperative and Subscriber represent that neither it nor any of its officers, directors, managers, partners, employees, representatives, or agents, either is, or will be obligated for any finder's or broker's fee or commission in connection with this transaction. Subscriber agrees to indemnify and to hold harmless the Cooperative from any liability for any commission or compensation in the nature of a finders' or broker's fee (and any asserted liability as a result of the performance of services of any such finder or broker) for which Subscriber or any of its officers, directors, managers, partners, employees, agents, or representatives may be responsible.

xiii. Subscriber represents that all information provided by Subscriber to the Cooperative in connection with the purchase of the Note is true, correct, and complete as of the date set forth hereof, and if there should be any change in such information, Subscriber shall immediately provide the Cooperative with such information.
