Draft Registration Statement on Form S-1 submitted on July 30, 2021

Capitalization, page 79

1. We note that you are offering 25,000,000 Class A ordinary shares as part of your initial public offering of units, but only show 23,021,722 Class A ordinary shares subject to possible redemption in your Capitalization table. Please tell us how you considered the guidance in ASC 480-10-S99-3A, which requires securities that are redeemable for cash or other assets to be classified outside of permanent equity if they are redeemable (1) at a fixed or determinable price on a fixed or determinable date, (2) at the option of the holder, or (3) upon the occurrence of an event that is not solely within the control of the issuer, in concluding that all 25,000,000 Class A shares were not required to be presented outside of permanent equity and part of shares subject to possible redemption.

Warrant Instruments, page F-12

2. We note your disclosure in several places throughout the filing that you will classify the public and private warrants as a liability in accordance with the guidance in ASC 815-40. In light of the fact that your filed warrant agreement, exhibit 4.4, stipulates the terms applicable to the public and private warrants, please provide us with your accounting analysis for the warrants. As part of your analysis, address whether there are any terms or provisions in the warrant agreement that provide for potential changes to the settlement amounts that are dependent upon the characteristics of the holder of the warrant, and if so, how you analyzed those provisions in accordance with the guidance in ASC 815-40.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

We request that you publicly file your registration statement and nonpublic draft submissions at least 15 days prior to any road show as that term is defined in Rule 433(h)(4) or, in the absence of a road show, at least 15 days prior to the requested effective date of the registration statement. Refer to Rules 460 and 461 regarding requests for acceleration.

You may contact Peter McPhun at 202-551-3581 or Shannon Menjivar at 202-551-3856 if you have questions regarding comments on the financial statements and related matters. Please contact Michael Davis at 202-551-4385 or Jonathan Burr at 202-551-5833 with any other questions.
