Draft Registration Statement on Form S-1 submitted August 30, 2021

Capitalization, page 76

1. We note that you are offering 15,000,000 Class A shares as part of your initial public offering of units, but only show 14,052,500 Class A shares subject to redemption in your Capitalization table. Please tell us how you considered the guidance in ASC 480-10-S99-3A, which requires securities that are redeemable for cash or other assets to be classified outside of permanent equity if they are redeemable (1) at a fixed or determinable price on a fixed or determinable date, (2) at the option of the holder, or (3) upon the occurrence of an event that is not solely within the control of the issuer, in concluding that all 15,000,000 Class A shares were not required to be presented outside of permanent equity and part of shares subject to redemption.
