I am a gamer. I love escaping into magical worlds, building civilizations from the ground up, or driving a Formula 1 racecar on tracks all over the world. The only issue is... I am not that great at it! ...show more

About

I lead Software Sales Teams that design and execute insanely great customer experiences. One of the things I enjoy the most about working in the high-tech software industry is the ability to take seemingly impossible requirements and make them a reality.

Lisa Smith · 3rd

Special Projects Consultant at RxBenefits, Inc.
January 8, 2019, Lisa reported directly to Jon

Jon is a fun and energetic leader that drives his teams to success through his strong example of servant leadership. He is truly invested in the success of others, and his dedication to that investment ensures the success of individuals and teams around him. Jon faces challenges with a contagious enthusiasm that drives results and execution quickly and thoughtfully. He is a wealth of knowledge and ar ...see more

Hakiem George · 3rd

Lead at Apple
June 19, 2016, Hakiem reported directly to Jon

Jon is easily the greatest leader I have had the pleasure to work with. His wisdom and guidance is something like I've never experienced before. He not only pushed me to places of discomfort, but he helped me through those uncomfortable situations which helped me grow tremendously! He lead by inspiration and trust. Jon has a unique balance between managing numbers and people. Althr ...see more

Casey Alexander Smith · 3rd

Creativity, Inspiration and growth.
May 12, 2015, Casey Alexander reported directly to Jon

I had the pleasure of working with Jon Flynn during his time with the Apple Business team. As a leader and mentor Jon brings an understanding of business that is by far superior to any leader I have had to date. Some may consider his technique unorthodox, however his genius is found in the ability to manage a team with great trust and acknowledgment of individualized skills. As he cultivates and max ...see more
