Amendment No. 7 to Registration Statement on Form F-4

Unaudited Pro Forma Condensed Combined Financial Information, page 279

1. Your disclosures on page 279 and 292 indicate that the historical financial information of Prenetics was derived from the audited financial statements for the period ended December 31, 2021 included elsewhere in the proxy statement/prospectus. This appears to be a typographical error. Please revise as necessary.

General

2. We note your responses to comments issued in our letter dated February 14, 2022. Please note we are continuing to consider these responses and corresponding revisions to your registration statement.
