Who We Are

Our Dedicated Management Team

Frank Vendo – CEO

- Extensive business & professional skills across the financial & insurance, and real estate. He has over 30 years of investment / agent service, doing business with Canada's largest financial institutions.
- 2 years accredited at Ivey Business.
- Director of EV Infrastructure Supply Group.
- Frank's vision is to be a leader in the retrofitting of vehicles to electric & to ensure that our investors make a profit.

Jan Thomson – Co-CTO

Jan Thomson is one of our founding members and is responsible for the technical aspects of our business. Jan has over 30 years of experience in the EV, ICE & Hybrid automotive industry. Jan is also the co-owner of Thomson Engineering.

- Leads our retrofit design and engineering competence & development in EV conversions.
- Jan is a graduate of Ryerson, Mechanical Engineering. He is a member of Professional Engineers Ontario and Ontario Association of Engineering & Geoscientists.

Doug Coles – Director of Operations

Doug Coles is the co-founder of Atomic EV, dedicated to assembling, retrofitting & converting EVs.

Founded in 2019, Atomic EV has produced more than 1,000 EVs and is currently building the world's most versatile EV platform. Doug has 30 years of experience in the automotive industry, including 15 years in the aftermarket. He has a passion for EVs and has been a driving force behind the growth of the company and its products.

In 2021, Atomic was named Canada's Fastest Growing Manufacturer by Profit Magazine. Doug's leadership and vision have been instrumental in the company's success, and he is committed to continuing to push the boundaries of what's possible in the EV industry.

Fernando Melo – COO

Fernando has over a decade of experience in marketing, leadership, and operations. He has a proven track record of success in driving growth and building high-performing teams.

- Fernando's unique combination of business, organizational, and technology skills has been instrumental in driving growth and success.
- He is a problem-solver and has a knack for identifying opportunities and creating innovative solutions, and more.

Anne Peccaty – Technology and Marketing Executive

Anne has over 25 years of industry development, marketing, and sales experience.

- Anne is a member of the University of Guelph Board of Governors.
- Anne has received numerous awards and honors, and is a member of several professional associations, including the Marketing Hall of Fame and the Canadian Marketing Association.

Dr. Ganesh Kumar – Co-CTO

Ganesh has over 25 years of experience, including past consulting knowledge in the EV industry, and is a graduate of the University of Waterloo.

Ganesh has been a:

- PEng. Member of Professional Engineers Ontario
- Member of Canadian Society for Mechanical Engineering
- Member of Automobile Energy and Mechanical Engineering Division (AEMED) of Society of Automotive Engineers (SAE) International
- Member of Canadian Society of Automotive Engineering (CSAE)
