## REPORT OF INDEPENDENT REGISTERED PUBLIC ACCOUNTING FIRM

To the Management and Member  
of **NuOrion Capital, LLC**:

### Opinion on the Financial Statements

We have audited the accompanying statement of financial condition of **NuOrion Capital, LLC** as of September 30, 2023 and the related notes and schedules (collectively referred to as the “financial statement”). In our opinion, the statement of financial condition presents fairly, in all material respects, the financial position of **NuOrion Capital, LLC** as of September 30, 2023 in conformity with accounting principles generally accepted in the United States of America.

### Basis for Opinion

This financial statement is the responsibility of **NuOrion Capital, LLC's** management. Our responsibility is to express an opinion on **NuOrion Capital, LLC's** financial statement based on our audit. We are a public accounting firm registered with the Public Company Accounting Oversight Board (United States) (PCAOB) and are required to be independent with respect to **NuOrion Capital, LLC** in accordance with the U.S. federal securities laws and the applicable rules and regulations of the Securities and Exchange Commission and the PCAOB.

We conducted our audit in accordance with the standards of the PCAOB. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statement is free of material misstatement, whether due to error or fraud. Our audit included performing procedures to assess the risks of material misstatement of the financial statement, whether due to error or fraud, and performing procedures that respond to those risks. Such procedures included examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements. Our audit also included evaluating the accounting principles used and significant estimates made by management, as well as evaluating the overall presentation of the financial statements. We believe that our audit provides a reasonable basis for our opinion.

*Assurance Dimensions*

We have served as **NuOrion Capital, LLC's** auditor since 2023.

The accompanying notes are an integral part of this financial statement.

**NUORION CAPITAL, LLC**  
**NOTES TO THE FINANCIAL STATEMENT**  
**FOR THE PERIOD JULY 13, 2022 TO SEPTEMBER 30, 2023**

**1. Nature of Business**

NuOrion Capital, LLC, (the "Company"), a Delaware limited liability company, is a broker/dealer registered with the Securities and Exchange Commission and a member of the Financial Industry Regulatory Authority ("FINRA"). The Company engages in the following types of business: private placement of securities and mergers and acquisitions. The Company has a minimum net capital of \$5,000.

**2. Summary of Significant Accounting Policies**

The Company follows accounting principles generally accepted in the United States of America ("GAAP") as established by the Financial Accounting Standards Board ("FASB") to ensure consistent reporting of financial condition, results of operations, and cash flows.

**Management Estimates and Assumptions**

The preparation of financial statements in conformity with GAAP requires management to make estimates and assumptions that affect the amounts reported in the financial statements and accompanying notes. Actual results could differ from those estimates. Future events and their effects cannot be predicted with certainty; accordingly, accounting estimates require the exercise of judgment. Accounting estimates used in the preparation of these financial statements change as new events occur, as more experience is acquired, as additional information is obtained and as the operating environment changes.

**Revenue Recognition**

FASB Accounting Standards Codification ("ASC") 606, Revenue from Contracts with Customers is a comprehensive revenue recognition model that requires a company to recognize revenue to depict the transfer of goods or services to a customer at an amount that reflects the consideration it expects to receive in exchange for those goods or services.

The Company recognizes revenue under ASC 606. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

**Concentrations**

Over 65% of Company revenue was derived from three customers. In addition, the Company's single largest expense is the payment to an external consultant that was directly related to a single transaction that occurred in the period.

**Significant Judgments**

The recognition and measurement of revenue is based on the assessment of individual contract terms. Typically, a fee is billed when a specific event occurs such as the closing of a transaction or the delivery of a document. Some contracts base revenue on a percentage of the funds gathered, a set fee, or a combination. Sometimes, a partial upfront payment, or

retainer, is needed to start the services. Any fees collected before revenue recognition are treated as contract liabilities. If revenue is earned but not yet received, it is noted as accounts receivable in the financial statement. At times, contracts might include extra fees that depend on future events. Since these fees are influenced by external factors, they're only considered earned after the specified event takes place.

During the audit period, the Company received \$75,000 of SAFE notes as a retainer from a client that have been accounted as an Other Asset and a corresponding Deferred Revenue Liability on the Statement of Financial Condition.

**Cash**

The Company maintains cash in bank accounts which, at times, may exceed federally insured limits. The Company has not experienced any losses in such accounts and does not believe it is exposed to any significant credit risk on cash.

**Accounts Receivable and Allowances for Uncollectible Accounts**

There were no accounts receivable as of September 30, 2023. Accounts receivable are reported net of any estimated allowances for uncollectible accounts and contractual adjustments. All receivables are uncollateralized. To provide for receivables that could become uncollectible in the future, the Company may establish an allowance for uncollectible accounts to reduce the carrying amount of such receivables to their estimated net realizable value. The allowance for uncollectible accounts is based upon management's assessment of historical and expected net collections, business and economic conditions, and other collection indicators. No allowance was deemed necessary by management as of September 30, 2023.

The Company accounts for estimated credit losses on financial assets measured at an amortized cost basis and certain off-balance sheet credit exposures in accordance with FASB ASC 326-20, Financial Instruments - Credit Losses. The Company estimates expected credit losses over the life of the financial assets as of the reporting date based on relevant information about past events, current conditions, and reasonable and supportable forecasts. There were no credit losses in the period.

**Related Parties**

The Company follows ASC 850, Related Party Disclosures, for the identification of related parties and disclosure of related party transactions. There are no related party transactions for the period July 13, 2022 to September 30, 2023.

**Income Taxes**

The Company is a limited liability company taxed as a partnership for federal and state income tax purposes. As such, it does not pay taxes. Members are taxed individually on their share of Company earnings for federal and for state income tax purposes.

**See Report of Independent Registered Public Accounting Firm.**

**NUORION CAPITAL, LLC**  
**NOTES TO THE FINANCIAL STATEMENT**  
**FOR THE PERIOD JULY 13, 2022 TO SEPTEMBER 30, 2023**

**Subsequent Events**

The Company has evaluated and noted no events or transactions that have occurred after September 30, 2023 through the date that the financial statements were issued, November 13, 2023 that would require recognition or disclosure in the financial statements.

**3. Capital Requirements**

As a registered broker-dealer, NuOrion Capital, LLC is subject to the SEC Uniform Net Capital Rule ("Rule 15c3-1") of the Securities Exchange Act of 1934, which requires the maintenance of minimum net capital. The Company follows the alternative method of computing net capital under Rule 15c3-1 which requires that the Company must maintain minimum net capital, as defined, equal to the greater of \$5,000 and requires that the ratio of aggregate indebtedness to net capital, as defined shall not exceed 1500%. At September 30, 2023, net capital of \$40,910 exceeded the required net capital minimum of \$5,000 by \$35,910. Aggregated indebtedness to net capital was 32% for 2023.
