Notes to Unaudited Pro Forma Condensed Combined Financial Information

1. Basis of Presentation, page 212

1. Please revise the disclosures related to the Deal-Contingent Forward to more fully address the following: explain why IIAC entered into the agreement; explain how the agreement will be accounted for; explain the potential risks and consequences of the agreement; and quantify the current impact of the agreement on the pro forma financial statements, including the potential impact of changes in the exchange rate prior to the Close.

Adjustment (M), page 220

2. We note your response to prior comment 4, including the reconciliations of Adjusted Historical IIAC to Net Assets of IIAC at June 30, 2021; however, it appears to us that Total assets, under both the no redemption and maximum redemption scenarios, should reflect the total assets of IIAC presented in their balance sheet at June 30, 2021.
