Amendment No. 11 to Form S-4

General

1. We note your response to prior comment 4. It appears that you commenced the offering of securities to the PIPE purchaser privately and are attempting to complete the offering through a public offering. Please note that a transaction that commenced privately cannot be converted to a registered offering. Refer to Question 134.02 of our Securities Act Sections Compliance and Disclosure Interpretations. Please revise your disclosure accordingly.

Marketable Securities Held in Trust Account, page F-27

2. We note your disclosure on page F-27 that as of September 30, 2023, substantially all of the assets held in the Trust Account were held in government securities. We also note your disclosure on page 49 that on or about August 8, 2023, you instructed Continental Stock Transfer & Trust Company and J.P. Morgan Securities LLC to liquidate the U.S. government treasury obligations or money market funds held in the Trust Account and thereafter to hold all funds in the Trust Account in cash until the earlier of consummation of your initial business combination or liquidation of the company. Please advise or reconcile the discrepancy.
