Experience

Co-Founder and Chief Operating Officer

Sirocco Energy

Nov 2017 – Present · 3 yrs 11 mos

United States

Sirocco Energy has developed a new kind of wind generator designed for the urban environment. As a linear wind generator, Sirocco wind turbines have a more efficient principle of work, which has important advantages over traditional wind turbines: high efficiency, low noise and vibration, easy installation, low price and aesthetic design.

Rebeca Luna

Matrix and site initiatives execution leader at Procter & Gamble

February 26, 2017, Anna worked with Rebeca in the same group

Anya is a result oriented worker. AIESEC Sweden was struggling and Anya had the capability to enable the organization to follow the national strategy achieving the targeted growth through education, direct coaching and optimism that she transmits with her never ending energy. I am grateful that I had the ... See more

Taras Vodyanny

CEO and Co-founder of Sirocco Energy.

February 24, 2017, Taras worked with Anna but at different companies

I was really happy to work with Anna, because she is a good manager, honest and responsible person. She has great experience with time management, team management and marketing.
