GameSafe · Part-time

May 2021 – Present · 6 mos
Provo, Utah, United States

GameSafe is an app that works behind the scenes on your kids devices to monitor the chat in the games your kids love to play. Finally, there is a solution to protecting your children from inappropriate content, online predators and cyber bullying. Now parents can be confident that their children can play games online even when they cannot be right there next to 1...see more
