Last week we started a crowdfunding campaign to allocate \$50k of our current round to those of our customers who love our service . The result was amazing. It got filled up in less than 24h 🙌!

In view of this, we decided to increase it to 100k so that those who missed the opportunity also get a chance to invest.

Are you a Coco Lover? Enter this link and be part of this great company that is revolutionizing remittances 🚀:

#startup #crowdfunding #investors

In less than 24 hours we reached our first goal of \$50k

Mei Chi Can Make

I like their business model, their entrepreneurial spirit, and how they know what people need.
