Recognition:

Kenyatta Computer Services LLC has been in operations since 1990, incorporating in 2018 with Nahjee Maybin serving as CEO.

About:

Kenyatta Computer Services LLC is a Colorado based computer services group that specializes in helping small and medium-sized businesses achieve their goals with highly trained technology management teams and engineers. Kenyatta Computer Services LLC offers their clients expertise on IT needs including cybersecurity, cloud services, infrastructure installation, staff augmentation and training.

Kenyatta Computer Services LLC has been in operations since 1990, founded initially by Lionel Maybin, later incorporating in 2018 with Nahjee Maybin serving as CEO since 2018.

Nahjee Maybin has 10+ years of experience in managing IT services in business, government, and education industries. He strongly believes that having the best people is what makes Kenyatta Computer Services an exceptional managed service provider and dedicates much of his time to finding and developing staff across the organization. He has a strong consulting, technical, and project background, complemented by degrees from Fort Valley State University and Colorado School of Mines.
