(D) The Company's Business and Business Plan

Our vision: Have the impact of an organization on the scale of Chipotle or Starbucks

Please review our investment timeline and deck below for a more in-depth look at our proposed use of funds and strategy.

Our Story

Jenny and I love pastries and bread warm from the oven...for me, the smells and tastes connect me to my most treasured food and family memories. In Feb 2020 were wandering through France in search of the simple, warm, pastries of French legend (and great skiing) when COVID began. As we returned to an anxious San Diego, and could not find hot from the oven bread or pastries anywhere. So we decided to bring joy to our community (and ourselves) while our photo studio was shuttered. So with this simple idea, a Kansas farmers' can-do spirit, and a boatload of naivete, we taught ourselves to bake and turned a century-old photo studio into what would become a top bakery in San Diego. I remember IZOLA's first day, June 10, 2020, we lowered 12 croissants in a basket out the 3rd-floor window to socially distanced customers waiting below. After their first bite, we saw their faces smiling up at us and realized we'd found our purpose. From that day until now we have been lifted by the grace of so many people.

THE RESULTS

2021 was amazing for IZOLA. Thank you team! And we achieved it all in a converted 3rd-floor photo studio, with no signs, during COVID, open 4 days per week, only word of mouth advertising..... A Speakeasy for Sourdough.

- IZOLA has reached profitability in less than 2 years.
- Posted 384% YoY growth through word of mouth and a marketing budget of less than
- \$200/month.
- We're the only 5.0 Google star bakery in San Diego. <https://rb.gy/f2lp1g>
- Developed proprietary enterprise resource management solution – IZOLA Operating System – allows us to control the journey for 800 croissants + sourdough each day and bake them just a few minutes before customers eat them. Cloud Based. Scalable.
- Imagine the future!

Izola's New Home

A hybrid production/bakery cafe re-imagined with elevated hospitality, unique guest experiences.

- 4790 square foot building in central San Diego with great exposure and parking.
- Unique Experience: Guests sit at tables and diner-style counters woven into our making and baking areas. Imagine watching (and smelling) loaves coming out of the oven and croissants being shaped in a glass cube.
- Improved efficiency: lower labor costs, and higher profit margins

- Supports Future Expansion: Increased production capacity will supply IZOLA Bread Cafes, the IZOLA Live Bake Truck and IZOLA Bake at Home.

The Investment Opportunity

Jenny and Jeffrey are deeply grateful to the IZOLA Community. IZOLA is strong, and we eagerly look to a future where IZOLA is all over San Diego and beyond. We invite you to join us with whatever resource you have in abundance: Knowledge, capital, muscle, or wit.

- Production: Build out new hybrid production/cafe space. Improve efficiency + increase production. Easier access for customers + unique experience.
- Distribution: Live Bake Truck, IZOLA Bake at Home, IZOLA Bread Cafe (See attached deck for more information)
- Technology: Improve scalability + efficiency IZOLA Operating System and expand Customer facing feature set.
- Operating Capital: To expand and train our team and cover expenses as we ramp up.

Our Solution

We're reinventing the American bakery.

- Superior product: The very best tasting ingredients: Organic milk and flour. Free range eggs. AOP butter from Normandy. Traditional techniques, in a modern, teachable context.
- Elevated hospitality: At IZOLA Bakery Cafe all people are seen, heard & valued. Community has blossomed, guests linger to eat, talk, and listen to music.
- Hot from the oven: All of our Croissants and Sourdough Bread are served hot-from-the-oven. All day..... Life changing.

The Problem

Bakeries are not keeping up with customer desires.

- Baked hours (or days) before eating: Would you prepare dinner for a loved one at 9am and let it sit on the counter until 6pm, as it got cold and stale?
- Mediocre ingredients: Most bakeries use generic ingredients lacking in flavor and nutrients, with chemical additives to speed production.
- Poor customer service: Treated like a transaction? I've felt it, I bet you have too. Not worth it, even if the food is great.

Our Mission

IZOLA is changing the way Americans think about and experience sourdough bread and croissants.

- Quality - everything we make is served hot from the oven from the best tasting ingredients, made with time honored, multi day technique.
- Hospitality - We delight our customer – San Diego's Only 5 Google Star Bakery – check out their reviews, <https://rb.gy/f2lp1g>
- Justice - We practice environmental, racial, gender, economic, sexual orientation justice.
