Amendment No. 1 to Form 10-K for the Fiscal Year Ended December 31, 2021

General

1. With a view toward disclosure, please tell us whether your sponsor is, is controlled by, or has substantial ties with a non-U.S. person. If so, please revise your disclosure in future filings to include disclosure that addresses how this fact could impact your ability to complete your initial business combination. For instance, discuss the risk to investors that you may not be able to complete an initial business combination with a U.S. target company should the transaction be subject to review by a U.S. government entity, such as the Committee on Foreign Investment in the United States (CFIUS), or ultimately prohibited. Disclose that as a result, the pool of potential targets with which you could complete an initial business combination may be limited. Further, disclose that the time necessary for government review of the transaction or a decision to prohibit the transaction could prevent you from completing an initial business combination and require you to liquidate. Disclose the consequences of liquidation to investors, such as the losses

of the investment opportunity in a target company, any price appreciation in the combined company, and the warrants, which would expire worthless. Please include an example of your intended disclosure in your response.

2. We note that you filed amended Forms 10-K and 10-Q for the periods ended December 31, 2021, March 30, 2022 and June 30, 2022 to restate your previously issued financial statements. Please also file an Item 4.02 8-K indicating that your previously issued financial statements, and related audit report, should no longer be relied upon.

We remind you that the company and its management are responsible for the accuracy and adequacy of their disclosures, notwithstanding any review, comments, action or absence of action by the staff.

You may contact Frank Knapp, Staff Accountant at (202) 551-3805 or Robert Telewicz, Accounting Branch Chief at (202) 551-3438 if you have any questions.
