(D) The Company's Business and Business Plan

Our Story

Maison Provence (formerly Pates et Traditions) was opened in 2009 by Laurent Dantonio when he arrived from Nice, France with his family. Laurent cooked authentic recipes from his childhood and quickly the restaurant became a hot spot for New Yorkers in search of traditional French food. We quickly became one of the top 3 French restaurants in Brooklyn and continued to top the ranking until our closing, at which point we were one of the oldest restaurants in Williamsburg.

- In spring 2021, just as restaurants started to fully re-open in NYC, our building was put up for sale and we had to move out.
- This came at a tough time for us as we had been struggling with the impacts of COVID-19 for over a year.
- The good news is the new landlord wants us to reopen the restaurant once the building has been renovated.
- Our community of loyal patrons and neighbors can't wait for us to reopen - and we can't wait to serve them!

## Our Mission

To serve authentic and affordable food from the south of France in the heart of Williamsburg, Brooklyn NY.

- Delicious: Chef Dantonio revisits classic recipes from his childhood in the south of France. He constantly improves his recipes to surprise his guests and himself.
- Authentic: We want our customers to feel as if they were in a market in south of France. The decoration will be rustic, charming and intimate.
- Affordable: Our menu features many dishes that are affordable such as crepes and pasta. Chef Dantonio's regulars would dine at Pates Et Traditions multiple times per week.

## Media & Press

Over the years, our customers fell in love with Pates Et Traditions and weren't shy about sharing it on social media and in the press.

- #1 on Foursquare for French restaurants in Brooklyn for over 10 years.
- #1 on Yelp for French restaurants in Brooklyn for over 10 years.

## Strengths & Opportunities

Maison Provence builds upon the continued success of "Pates Et Traditions", Dantonio's former restaurant at the same location.

- Successfully operated the business since 2009
- Loved and well-known in the Williamsburg community and beyond
- Seating capacity of the renovated space will increase by 50%
- Renovated space will allow for retailing of specialty food via a street facing cafe counter
- Same concept with a refreshed menu and new inspiring setting

## The Team

### Laurent Dantonio, Founder & Chef

Laurent Dantonio has 15 years of experience in the restaurant business and food operations. He was the founder, chef and operating owner of various hospitality businesses: "Pates Et Traditions" restaurant, "Santos Anne" restaurant, "Club Bonafide jazz", and "Sandwicherie 52" gourmet food cart. Born in Nice, France into a culinary and musical family, he's a passionate and creative food lover. In 2009, Laurent fulfilled his dream to live in New York and share his background and his recipes with his fellow New Yorkers. His hospitality and culinary talents have been recognized by leading entrepreneurs and artists. Chef Laurent graduated cum laude in 1992 from the hospitality school of Menton, France.

### Currently raising

The founder and chef has so far invested \$20,000 of his own money to secure the lease and the alcohol license. He is now looking for additional funds to buy and set up the equipment for the kitchen, the bar, the dining room, and the outdoor dining, and finance the initial inventory / working capital.

### Location

52 Havemeyer Street, on the southwest corner of North 6th Street.

- It's in the heart of Williamsburg, only 2 blocks away from both the Bedford Ave and the Lorimer St subway stops.
- This is a peaceful intersection surrounded by trees, a wine bar, a school, and 2 churches. This is a perfect hide away from the constant buzz of Bedford avenue.
- There is a cosy indoor space with a wrap around patio and outdoor seating. Total capacity will increase by 50% after the renovation.

#### (J) The Investment Process

- If you decide to invest, enter an amount and press the Invest button

##### TO CANCEL YOUR INVESTMENT

Send an email to [info@mainvest.com](mailto:info@mainvest.com) no later than 48 hours before the Offering Deadline or go to the dashboard for your user account to cancel manually. In your email, include your name and the name of the Company.

##### Other Information on the Investment Process

- Investors may cancel an investment commitment until 48 hours prior to the Offering Deadline.
- MainVest will notify investors when and if the Target Offering Amount has been raised.

- If the Company reaches the Target Offering Amount before the Offering Deadline, it may close the offering early if it provides notice about the new Offering Deadline at least five business days before such new Offering Deadline, absent a material change that would require an extension of the offering and reconfirmation of the investment commitment.
- If an investor does not cancel an investment commitment before the 48-hour period before the Offering Deadline, the funds will be released to the Company upon closing of the offering and the investor will receive securities in exchange for his or her investment.

For additional information about the investment and cancellation process, see the [Educational Materials](#).

#### (K) Material Changes

In the event the issuer undergoes a material change, the Investor will be notified of such change. The investor will have five (5) business days from the receipt of such notice to reconfirm their investment. IF AN INVESTOR DOES NOT RECONFIRM HIS OR HER INVESTMENT COMMITMENT WITHIN FIVE (5) DAYS OF THE NOTICE OF MATERIAL CHANGE BEING SENT, THE INVESTOR'S INVESTMENT COMMITMENT WILL BE CANCELLED, THE COMMITTED FUNDS WILL BE RETURNED, AND THE INVESTOR WILL NOT BE ISSUED ANY OF THE SECURITIES REFERENCED IN THIS OFFERING.

#### Explanation

A “material change” means a change that an average, careful investor would want to know about before making an investment decision. If a material change occurs after you make an investment commitment but before the Offering closes, then the Company will notify you and ask whether you want to invest anyway. If you do not affirmatively choose to invest, then your commitment will be cancelled, your funds will be returned to you, and you will not receive any securities.

#### (L) Price of the Securities

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as “Notes.” The Notes are being offered at their face amount. For example, you will pay \$1,000 for a Note with a face amount of \$1,000.

## (M) Terms of the Securities

### Overview

The Company is offering “securities” in the form of revenue sharing notes, which we refer to as the “Notes.” The Terms of the Notes are set forth in the Revenue Share Agreement accompanying this Form C in Appendix A. Copies of the Note and Revenue Sharing Agreement are attached to this Form C.

### Summary of Terms

|   |  |
|---|--|
| Revenue Percentage <sup>1</sup>   | 2.0 - 5.3% <sup>2</sup>  |
| Payment Deadline  | 2026-10-01   |
| Maximum Payment Multiple <sup>3</sup><br>- Early Investors<br>- All Other Investors | 1.5 x<br>1.3 x   |
| Sharing Start Date  | The first day after disbursement that the company has revenues greater than one (\$1) dollar   |
| First Payment Date  | The last day of the calendar quarter ending not less than 90 days after the Sharing Start Date |
| Seniority   | Subordinated   |
| Securitization  | Unsecured  |
| Accrual Rate  | 0.91%  |

<sup>1</sup> as defined in the note agreement included in Appendix A

<sup>2</sup> The rate of revenue sharing is calculated on a linear scale with a minimum rate of 2.0% and a maximum rate of 5.3% and is rounded to the nearest 1/10th percent. The final rate is based on the amount raised and is calculated after the offering has successfully closed. As the amount raised in the offering increases, the rate of revenue sharing increases. For example, a hypothetical offering could result in the following revenue sharing percentages, depending on the amount raised:

| Amount Raised | Revenue Sharing Percentage |
|---------------|----------------------------|
| \$30,000      | 2.0%                       |
| \$42,500      | 2.8%                       |
| \$55,000      | 3.6%                       |
| \$67,500      | 4.5%                       |
| \$80,000      | 5.3%                       |

<sup>3</sup> To reward early participation, the investors who contribute the first \$55,000.0 raised in the offering will receive a 1.5x cap. Investors who contribute after \$55,000.0 has been raised in the offering will receive a 1.3x cap.

### Your Right to Payments under the Note

Your right to payments under the Note is set forth in the Note, together with a separate document

called the Revenue Sharing Agreement. Copies of the Note and Revenue Sharing Agreement are attached to this Form C. Additionally, general terms are outlined below and in the Company's offering page.

#### Obligation to Contribute Capital

Once you pay for your Note, you will have no obligation to contribute more money to the Company, and you will not be personally obligated for any debts of the Company. However, under some circumstances you could be required by law to return some or all of a distribution you receive from the Company.

#### No Right to Transfer

You should plan to hold the Notes until maturity. The Notes will be illiquid (meaning you might not be able to sell them) for at least four reasons:

- The Revenue Sharing Agreement prohibits the sale or other transfer of Notes without the Company's consent.
- If you want to sell your Note the Company will have the first right of refusal to buy it, which could make it harder to find a buyer.
- Even if a sale were permitted, there is no ready market for Notes, as there would be for a publicly-traded stock.
- By law, for a period of one year you won't be allowed to transfer the Investor Shares except (i) to the Company itself, (ii) to an "accredited" investor, (iii) to a family or trust, or (iii) in a public offering of the Company's shares.

#### Security

The Notes are not secured by any assets of the Company or any assets of persons associated with the Company.

#### Modification of Terms of Notes

The terms of the Notes and the Revenue Sharing Agreement may be modified or amended with the consent of Investors holding 50% of the Notes, measured by the total amount outstanding under each Note.

#### Other Classes of Securities

|  |   |
|--|---|
| Name of Security   | Limited Liability Company Interests   |
| Number of Shares Outstanding   | N/A   |
| Describe Voting Rights of These Securities, Including Any Limitations on Voting Rights | N/A   |
| How these securities differ from the revenue sharing notes being offered to investors  | Limited Liability Company Interests are an equity interest, whereas Revenue Sharing Notes are a debt obligation of the Company. |

### Dilution of Rights

The Company has the right to create additional classes of securities, both equity securities and debt securities (e.g., other classes of promissory notes). Some of these additional classes of securities could have rights that are superior to those of the Notes. For example, the Company could issue promissory notes that are secured by specific property of the Company.

### The People Who Control the Company

Each of these people owns 20% or more of the total voting power of the Company:

| Name of Holder   | % of Voting Power (Prior to Offering) |
|------------------|---------------------------------------|
| Laurent Dantonio | 100%                                  |

### How the Exercise of Voting Rights Could Affect You

You will receive payments with respect to your Note only if the Company makes enough money to pay you, or, if the Company does not make enough money to pay you, if there is enough value in the collateral the Company pledged as security for the Notes.

The people with voting rights control the Company and make all the decisions about running its business. If they make good business decisions, it is more likely you will be paid. If they make poor business decisions, it is less likely you will be paid. For example, if they hire too many people and/or try to expand too quickly, the business could be harmed. The people with voting rights could also decide to file for bankruptcy protection, making it more difficult for you to be paid.

### How the Notes are Being Valued

The Notes are being valued at their face value. We don't anticipate that we'll ever need to place a value on the Notes in the future.

### (N) The Funding Portal

The Company is offering its securities through MainVest, Inc., which is a "Funding Portal" licensed by the Securities and Exchange Commission and FINRA. MainVest Inc.'s Central Index Key (CIK) number is 0001746059, their SEC File number is 007-00162, and their Central Registration Depository (CRD) number is 298384.

### (O) Compensation of the Funding Portal

MainVest will be paid between 3.0 and 9.0% of the final offering amount, upon the successful completion of the offering. MainVest does not receive compensation if the offering does not succeed. MainVest, Inc. owns no interest in the Company, directly or indirectly, and will not acquire an interest as part of the Offering, nor is there any arrangement for MainVest to acquire an interest.

### (P) Indebtedness of the Company

The Company has no indebtedness outside of the debt the Company is expecting to raise through regulation crowdfunding on MainVest.

(Q) Other Offerings of Securities within the Last Three Years
