Julien Uhlig CEO AT EX VENTURE INC.
Julien is one of the most recognized cleantech consultants in the world. Managing government grants and investments for over 30 companies. With a strong focus on impact technologies, he has raised and consolidated over 160 Mil. USD.

Creating Companies is our life! Being at the intersection of Government Funds and Private Equity as well as research has created a very unique market opportunity. If we want better startups, we need to grow them from an early stage. If we want to solve our energy, food, infrastructure problems, we need a whole new breed of companies.

INTRO:

EX VENTURE INC. is a Moonshot-Investment-Advisory founded by Julien Uhlig. We support Clean Energy and Sustainability Startups that change the world like Zero-X. We are setting new standards in sustainability and technology integration by combining government Funds, Institutional Investment, and Crowdfunding to build companies that change the future of Humanity. Investors benefit from the growth of any of our advised companies.

EX Venture Inc. offers investment advisory, consulting, and marketing services to Startups in the environmental impact space that are jointly owned by founder Julien Uhlig: EX ZERO CARBON Inc., GEMINI ONE Inc., and LIV LIFE Corporation. EX Venture Inc. receives compensation from consulting fees from their client companies, as well as bonuses worth between 25%-100% of the value of each company in the event of a sale. EX Venture Inc. contractually maintains buyout options to allow for taking over each of these entities at a later stage. EX Venture Inc. is not a parent company to any of these entities, nor does it own any equity in any of them.

LIFE BEYOND LIMITS

LIV-LIFE IS A COMMUNITY FOCUSED, SUSTAINABLE, GLOBAL-RESIDENCY-PLATFORM FOR THE EXECUTIVE NOMAD LIFESTYLE. **LIVE ANYWHERE!**

WHAT DO WE DO?:

We are setting New Standards in Carbon Negative Beach Living! We are developing a global network of sustainable communities for Remote Workers, Entrepreneurs, Creatives, and Digital Nomads from our First Development in the Digital Nomad Capital of Canggu, Bali.

LIV-LIFE

-The Only Platform that builds and manages global communities for Digital Nomads. Remote work at scale has brought about the most significant disruption in how we live since the beginning of the Industrial Age - we no longer need to live next to our offices and factories! As a result, we are finally ready to unleash our lives and find a new level of freedom.

LIVE GLOBAL. BE CONNECTED.

LIV-LIFE - REVOLUTIONIZING PROPERTY OWNERSHIP

With the Massive Adoption of Remote Work, EX Venture Inc. is working with Liv-Life on expanding a massive opportunity by developing our own communities!

1. Building New Communities Can be Much more Sustainable than Fixing Old Infrastructure - Sustainability and negative Carbon Emission First!

Matthew Vitamante Matthew Vitamante
Watching EX Venture grow for the last few years has been impressive- massive growth, great at executing on strategy. Tight, Lean team, happy to support wherever I can. Open to answering Questions as well! I have been working with the team for many years! This will be an outstanding project with a high potential to improve local communities, the environment, and shareholder value. I am planning on being in Sumbawa Beach myself. Great Location, Great Tech! I am in!
