The story of David is epic! That's why people say "that's a real David vs. Goliath matchup." It's the ultimate underdog story.

An epic story deserves an epic movie, which is why we are making "David", a feature-length animated film that combines the production quality and style of major animation studios, with the inspiration and faith of a Bible story.

You can help create an amazing movie that will help get your family excited about one of the Bible's most epic stories.
