Election to the Board was confirmed on October 14, 2019. My term officially begins in March 5, 2020. I look forward to working with AKF in achieving their vision of, "...a world without kidney disease..." and supporting their mission of, "fighting kidney disease and helping people live healthier lives--from prevention through post-transplant living." This disease effects over 37 million Americans and AKF has been fighting the fight for almost 50-years. It is one of the top rated charities in the U.S. providing 97cents on every dollar donated to programs, not overhead. AKF has a 4 star rating with Charity Navigator and a Platinum Seal of Transparency with GuideStar.
