## Independent Auditor's Report

To the Board of Directors and Stockholders of  
Atakama Inc.

### Opinion on the Financial Statements

We have audited the accompanying financial statements of Atakama Inc. (the "company"), which comprise the Balance Sheets as of December 31, 2022 and 2021, and the related Statements of Operations, and Changes in Stockholders' Equity and Cash Flows for the years then ended, and the related notes to the financial statements.

### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

### Auditors' Responsibility

Our responsibility is to express an opinion on the financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement. The Company is not required to have, nor were we engaged to perform an audit of the Company's internal control over financial reporting. Our audit included consideration of internal control over financial reporting as a basis for designing audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Company's internal control over financial reporting. Accordingly, we express no such opinion. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audit provides a reasonable basis for our opinion.

### Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Atakama Inc. as of December 31, 2022 and 2021, and the results of their operations and changes in equity and their cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

**Note 1 – Nature of Operations and Summary of Significant Accounting Policies**

A – Nature of Operations

Atakama Inc. (the “Company”) formerly known as Solidx Partners Inc. is a company organized under the laws of the State of Delaware on March 19, 2014. It was also registered to do business as a foreign entity in the State of New York on November 19, 2014. The Company is a New York City based information security company that was founded by a team of entrepreneurs, engineers, and cryptographers. Its mission is to be the leading data security provider. Using distributed key management, Atakama Inc. encryption solution protects data against unauthorized access and cyber-attacks.

B – Basis of Presentation

The financial statements have been prepared in accordance with accounting principles generally accepted in the United States (“GAAP”). The financial statements include the operations, assets, and liabilities of the Company. In the opinion of the Company’s management, the accompanying financial statements contain all adjustments, consisting of normal recurring accruals, necessary to fairly present the accompanying financial statements.

C – Use of Estimates

The preparation of financial statements in conformity with Generally Accepted Accounting Principles (GAAP) requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of financial statements and the reported amounts of revenues, expenses, gains, losses, and other changes in net assets during the reporting period. Actual results could differ from those estimates. Significant estimates inherent in the preparation of these financial statements include, but are not limited to, useful life of fixed assets, and the potential impacts arising from the novel coronavirus (COVID-19).

D – Cash and Cash Equivalents

The Company considers all highly liquid investments with an original maturity of three months or less when purchased to be cash and cash equivalents. Cash and cash equivalents are recorded at cost, which approximates fair value. As of December 31, 2022, and 2021, cash consists primarily of checking, saving deposits and PayPal balances. The cash balances as of December 31, 2022, and 2021 are \$4,365,539, and \$182,688.

E – Concentration of Credit Risk

The Company maintains its cash accounts at a commercial bank. The Federal Deposit Insurance Corporation (“FDIC”) insures \$250,000 for substantially all depository accounts. At December 31, 2022 and 2021, the amount in excess of insured limits was approximately \$4,115,539 and \$0. The Company has

Atakama Inc.  
Notes to Financial Statements

With Summarized Financial Information for the Year Ended 2021

not experienced any losses on uninsured cash balances and management considers risk on cash balances to be low.

F – Other Current Assets

The other current assets as of December 31, 2022 and 2021, are composed of the following:

	<u>2022</u>	<u>2021</u>
Prepaid Rent	5,657	0
Prepaid Expenses	<u>176,391</u>	<u>19,877</u>
Total Other Current Assets	<u>\$182,048</u>	<u>\$21,377</u>

G – Property and Equipment

Property and equipment are stated at cost less accumulated depreciation. Depreciation is charged as an expense using the double declining balance method over the estimated useful life of each asset. The Company generally capitalizes assets with an original cost over \$500.

	<u>2022</u>	<u>2021</u>
Computer Equipment	\$35,230	\$28,593
Accumulated Depreciation	<u>27,776</u>	<u>24,948</u>
Capitalized Equipment	<u>\$7,454</u>	<u>\$3,645</u>

H – Start-up Costs and Trademark

The Company capitalizes start-up costs and trademarks and amortizes the full amount of start-up costs and trademark over 15 years.

	<u>2022</u>	<u>2021</u>
Capitalized Start-Up Costs	\$33,720	\$33,720
Trademarks	8,091	8,091
Accumulated Amortization	<u>23,661</u>	<u>20,874</u>
Capitalized Start-Up Costs and Trademark	<u>\$18,150</u>	<u>\$20,937</u>

I – Capitalized Software Development Costs

Software development costs are expensed as incurred until technological feasibility of the product is established. Development costs incurred subsequent to technological feasibility are capitalized and amortized on a straight-line basis over the estimated life of the product. Capitalization of computer software costs is discontinued when the computer software product is available to be sold, leased, or otherwise marketed. Amortization begins when the product is available for release to customers. The Company has not capitalized software development costs.

J – Income Taxes

The Company is subject to tax filing requirements as a C-Corporation in the federal jurisdiction of the United States. As such, net income and certain other tax attributes are reported by the Company itself. The Company's federal income tax filings for 2021 and 2022 will remain subject to review by the US Internal Revenue Service until 2025 and 2026, respectively.

The Company is subject to tax filing requirements in the state of Delaware and New York. The Company's 2021 and 2022 tax filing will be subject to review by the Delaware Division of Revenue and New York State Department of Tax & Finance until 2025 and 2026, respectively.

K – Fair Value Measurements

Fair value accounting is applied for all assets and liabilities and nonfinancial assets and liabilities that are recognized or disclosed at fair value in the financial statements on a recurring basis. Fair value is defined as the exchange price that would be received for an asset or an exit price that would be paid to transfer a liability in the principal or most advantageous market for the asset or liability in an orderly transaction between market participants on the measurement date. The Company follows the established framework for measuring fair value and expands disclosures about fair value measurements.

L – Revenue Recognition

The Company derive revenue from the sale of subscriptions, encryption services, support and maintenance, professional services, or a combination of these items, primarily through its direct relationships with end customers through its internal sales force. On December 31, 2017, the Company adopted ASC Topic 606 under the modified retrospective approach with the cumulative effect of initially applying the new standard as an adjustment to the opening balance of retained earnings. Results for the reporting period beginning December 31, 2017, are presented under ASC Topic 606, while prior period amounts were not adjusted.

The Company recognizes revenue pursuant to the five-step framework within ASC Topic 606:

Atakama Inc.  
Notes to Financial Statements  
December 31, 2022  
With Summarized Financial Information for the Year Ended 2021

---

1. **Identify the contract(s) with customers:** Contracts are generally evidenced by a binding and non-cancelable purchase order or agreement that creates enforceable rights and obligations.
2. **Identify the performance obligations in the contract:** Performance obligations are the promises contained in the contract to provide distinct goods or services.
3. **Determine the transaction price:** The amount of consideration the Company expects to be entitled for transferring the promised goods or services to the customer.
4. **Allocate the transaction price to the performance obligations in the contract:** SSP is determined for each performance obligation in the contract and a proportion of the overall transaction price is allocated to each performance obligation based on the relative value of its SSP in comparison to the transaction price except when a discount or variable consideration can be allocated to a specific performance obligation in the contract.
5. **Recognize revenue when (or as) the Company satisfies a performance obligation:** Recognition for a performance obligation may happen over time or at a point in time depending on the facts and circumstances.

The Company recognizes revenue as control of the promised goods or services is transferred to its customers, in an amount that reflects the consideration the Company expects to be entitled to in exchange for the promised goods or services. Control of the promised goods or services is transferred to its customers at either a point in time or over time, depending on the performance obligation.

#### M – Subsequent Events

The Company has evaluated subsequent events and transactions for potential recognition and disclosure in the financial statements through September 7, 2023, the date that the financial statements were available to be issued.

On January 20, 2021, the Company established a 401(k) savings plan for their employees. The Company does not intend to have a matching program for 2023.

The COVID-19 outbreak in the United States has caused business disruption through mandated and voluntary closings. The COVID-19 outbreak is also disrupting supply chains and affecting the production and sales across a range of industries. While the disruption is currently expected to be temporary, there is considerable uncertainty around the duration of the closings. Therefore, the Company expects this matter to negatively impact its operating results. The extent of the impact of COVID-19 on the Company's operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on the Company's customers, employees and vendors all of which are uncertain and cannot be predicted. At this point, the extent to which COVID-19 may impact the financial condition of the Company or results of operations is uncertain.

N – Loss Contingencies

Loss contingencies, including claims and legal actions arising in the ordinary course of business, are recorded as liabilities when the likelihood of loss is probable, and an amount or range of loss can be reasonably estimated. Management does not believe there are such matters that will have a material effect on the financial statements.

**Note 2 – Rental Lease**

The Company leases office space from an unrelated third party under an operating lease starting on December 19<sup>th</sup>, 2019 and expiring on December 18, 2022. The Company has the right to extend the lease to December 19, 2024 by give a notice before August 1, 2022.
