If you're interested in being apart of Renaissance Man's startup, email [aaron@renmandistilling.com](mailto:aaron@renmandistilling.com).

We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through an approved Regulation Crowdfunding Broker platform. Any indication of interest involves no obligation or commitment of any kind.

Hello!

Renaissance Man has received more invest interest than we expected. SO, we have to change some things up.

Initially we were going to use an SEC exemption to privately offer shares. With the increase interest we cannot legally utilize the exemption, and will have to switch gears. We will now be using a crowdfunding broker. This will allow more people to invest in Renaissance Man and for public announcement of the offering.

Moving forward I have a couple housekeeping topics.

1. There is no need to sign the investment acknowledgement document. The online broker will house all legal documents for you to sign.
2. Please keep everything about Renaissance Man privately to yourself until the crowdfunding launch is official.
3. You will be able to invest in Renaissance Man frictionlessly on the brokers website.
4. I have to input this language into this email so we can all move forward:
  - a. We are 'testing the waters' to gauge investor interest in an offering under Regulation Crowdfunding. No money or other consideration is being solicited. If sent, it will not be accepted. No offer to buy securities will be accepted. No part of the purchase price will be received until a Form C is filed and only through an approved Regulation Crowdfunding Broker platform. Any indication of interest involves no obligation or commitment of any kind.
5. All documents outlining Renaissance Man are attached with this email.

Thank you for understanding all this change. This is unfamiliar territory for me and I'm doing my best to facilitate this startup the right way.

If you have any questions, please email me.

Respectfully,  
Aaron Weideman

Hey everyone, Marine Corps Vet here.

I have been tirelessly working on an invention for the last 18 months, and its ready to become a business. To get the capital needed I have started a funding round with Wefunder. Any help on spreading the word for this campaign would be a true blessing.

Cheers!
