INDEPENDENCE POINT SECURITIES LLC  
NOTES TO THE FINANCIAL STATEMENT  
AS OF DECEMBER 31, 2023

NOTE 1      DESCRIPTION OF ORGANIZATION AND BUSINESS

Independence Point Securities LLC (the “Company”) is wholly-owned by Independence Point Advisors (the “Parent”) and was formed on November 23, 2021. The Company is a registered broker dealer with the U.S. Securities and Exchange Commission (“SEC”) and is a member of the Financial Industry Regulatory Authority (“FINRA”).

The Company provides investment banking services including merger and acquisition advisory services, equity and debt underwritings in a selling group capacity and private placements.

NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

This financial statement was prepared in conformity with accounting principles generally accepted in the United States of America (“U.S. GAAP”).

Use of Estimates

The preparation of the financial statement in conformity with U.S. GAAP requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statement and the amounts of revenues and expenses during the reporting period. Actual results could materially differ from these estimates.

Accounts Receivable and Accrued Revenue

Accounts receivable, including \$44,355 of unbilled receivables, are comprised of net receivables for advisory and underwriting revenue. These accounts receivable are measured at amortized cost, which reflects the net amount expected to be collected. The Company evaluates collectability of its accounts receivable and determines if an allowance for credit losses is necessary based on historical payment information, known customer financial concerns, credit quality, age of balances and current and future economic conditions that may affect the Company’s expectation of the collectability. The Company determined there is no allowance for credit losses on December 31, 2023. The accounts receivable balance was \$898,411 as of December 31, 2023.

INDEPENDENCE POINT SECURITIES LLC  
NOTES TO THE FINANCIAL STATEMENT  
AS OF DECEMBER 31, 2023

NOTE 2      SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

Revenue Recognition

The Company recognizes revenue in accordance with Accounting Standards Codification (“ASC”) Topic 606, Revenue from Contracts with Customers (“ASC Topic 606”). The revenue recognition guidance requires that an entity recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for those goods or services. The guidance requires an entity to follow a five-step model to (a) identify the contract(s) with a customer, (b) identify the performance obligations in the contract, (c) determine the transaction price, (d) allocate the transaction price to the performance obligations in the contract, and (e) recognize revenue when (or as) the entity satisfies a performance obligation.

Investment Banking Advisory Fees:

The Company provides advisory services related to corporate finance activities such as mergers and acquisitions, reorganizations, tender offers, leveraged buyouts, and the pricing of securities to be issued. The Company enters into agreements with institutional clients, written or otherwise, whereby the Company provides advisory services to clients in exchange for fees. The determination and identification of distinct performance obligations in such agreements may require judgment. Revenue is recognized as the Company satisfies performance obligations. This occurs when promised services are provided to customers in an amount that reflects the consideration the Company expects to receive in exchange for such services. Revenue for advisory services is recognized over time when the services are simultaneously provided by the Company and consumed by the client. For certain contracts, the consideration is included in the transaction price and is constrained until it is probable that a significant reversal of revenue will not occur. In some circumstances, significant judgment is needed to determine the timing and measurement of progress appropriate for revenue recognition under a specific contract.

Underwriting Fees:

The Company underwrites securities for business entities seeking to raise funds through a sale of securities to public or private markets. Revenues are earned from fees arising from securities offering in which the Company acts as a co-managing underwriter. Revenue is recognized on the trade date (the date on which the Company purchases the securities from the issuer) for the portion the Company is contracted to buy. The Company believes that the trade date is the appropriate point in time to recognize revenue for securities underwriting transactions as there are no significant actions which the Company needs to take subsequent to this date and the issuer obtains the control and benefit of the capital markets offering at that point.

Cash and Cash Equivalents

The Company considers amounts held in money market accounts with initial maturities equal to less than three months to be cash equivalents.

INDEPENDENCE POINT SECURITIES LLC  
NOTES TO THE FINANCIAL STATEMENT  
AS OF DECEMBER 31, 2023

NOTE 3      BENEFIT PLAN

The Company's employees participate in a defined contribution profit sharing 401(k) retirement plan (the "Plan") sponsored by the Parent. The Plan provides participants with an opportunity to save for retirement on a tax advantaged basis. Employees can participate in the Plan on their first day of employment and are able to make contributions up to the limits established by the Internal Revenue Service ("IRS"). Contributions by the Company to the Plan are determined by management within Federal tax limits. The Parent makes a safe harbor non-elective contribution of 3% of the participants eligible compensation per calendar year. The Parent may also make an annual discretionary profit-sharing contribution to the Plan for participants. The Company included approximately \$260,000 of accrued discretionary profit-sharing contributions in accrued discretionary compensation in the Company's statement of financial condition as of December 31, 2023.

NOTE 4      REGULATORY REQUIREMENTS

The Company is a registered broker-dealer and is therefore subject to the SEC Uniform Net Capital Rule 15c3-1 which requires the maintenance of minimum net capital equal to the greater of \$100,000 or 6-2/3 percent of aggregate indebtedness to net capital not to exceed 15 to 1. Net capital and the related net capital ratio may fluctuate on a daily basis. At December 31, 2023, the Company's net capital was \$5,169,079, which was approximately \$5,069,079 in excess of its minimum requirement of \$100,000.

NOTE 5      INCOME TAXES

The Company adopted Accounting Standards Update (ASU) 2019-12, Income Taxes (Topic 740): Simplifying the Accounting for Income Taxes. There was no impact to the Company's financial statement as the Company is a single member limited liability company and is treated as disregarded entity for federal, state and city income tax purposes; therefore, it does not incur income taxes at the Company level. Instead, its earnings and losses are passed through to the member and included in the calculation of the member's tax liability. Accordingly, no provision for income taxes has been made in the accompanying financial statement.

NOTE 6      RELATED PARTY TRANSACTIONS

Pursuant to an administrative service agreement (the "Agreement") between the Company and the Parent, an affiliate, the Parent allocates expenses to the Company based on expenses incurred by the Parent on behalf of the Company related to its daily operations. The expenses associated with the Agreement include compensation and benefits, travel and entertainment, professional fees, occupancy and other. As of December 31, 2023, the Company owes the Parent \$30,030 related to this Agreement as presented on the Statement of Financial Condition at December 31, 2023.

INDEPENDENCE POINT SECURITIES LLC  
NOTES TO THE FINANCIAL STATEMENT  
AS OF DECEMBER 31, 2023

NOTE 7      SUBORDINATED BORROWINGS

In 2023, the Company entered into two temporary subordinated loan agreements with the Parent. On April 26, 2023, the Company borrowed \$2,500,000 at an annual interest rate of the Secured Overnight Financing Rate (“SOFR”) plus 2.75% which matured on June 8, 2023. The total principal balance plus interest of \$6,817 was repaid in full on May 9, 2023. On September 8, 2023, the Company borrowed \$5,000,000 at an annual interest rate of SOFR plus 2.75% which matured on October 16, 2023. On October 4, 2023, the Company made a partial repayment of \$3,500,000 of principal and \$28,695 of interest. The remaining principal balance of \$1,500,000 and interest of \$3,977 were repaid on October 16, 2023.

The Company’s subordinated borrowings in the form of two temporary subordinated loans from the Parent were covered by agreements approved by FINRA and included in computing regulatory net capital, as defined, under the SEC under Rule 15c3-1.

NOTE 8      COMMITMENTS AND CONTINGENCIES

In connection with investment banking activities, the Company may from time to time provide underwriting commitments to clients in connection with capital-raising transactions. As of December 31, 2023, the Company had no commitments.

In the ordinary course of business, the Company may be involved in certain legal actions in connection with its activities as a broker dealer. Management is of the opinion that any claims to which the Company is a party will not have a material adverse effect on the Company’s financial position or operations. At December 31, 2023, no amount has been accrued for any potential or pending claims, as a probable outcome is not determinable at December 31, 2023.

NOTE 9      CONCENTRATIONS OF CREDIT RISK

The Company maintains its cash balances in one bank, which at times may exceed federally insured limits. These balances are insured by the Federal Deposit Insurance Corporation (“FDIC”) for up to \$250,000 per depositor. The Company is subject to credit risk should these financial institutions be unable to fulfill their obligation.

NOTE 10     SUBSEQUENT EVENTS

The Company has evaluated subsequent events for adjustment to or disclosure in this financial statement through the date of this report and determined that there are no subsequent events requiring adjustments to or disclosure in the financial statement.
